Greta's story is about hope, courage and determination. You are never too young to make a difference. It's 20 August 2018, late summer in Stockholm, and it feels incredibly hot in the city. The TV news reports rising temperatures, and there have been numerous fires throughout Sweden. Fifteen-year-old Greta Thunberg decides she can't wait any longer: politicians have to do something to save the environment. Instead of returning to school, Greta takes a placard and goes on strike in front of Sweden's parliament building. Greta's protest began the Fridays for Future – or School Strike 4 Climate – movement, which millions have now joined around the world. Greta has spoken at COP24, the UN summit on climate change, and has been nominated for the Nobel Peace Prize. This is her story, but also that of many other girls and boys around the world willing to fight against the indifference of the powerful for a better future.

This is the story about a little girl who was lost and then found, afraid and then fearless, alone and then in the company of a multitude. It was written in rhyme so that it might be read aloud and simply teaches, But God chose what is foolish in the world to shame the wise; God chose what is weak in the world to shame the strong; God chose what is low and despised in the world, even things that are not to bring to nothing things that are . . . Little would seem to connect them except that two seconds can change everything. And if your world can be shattered in an instant, can time also put it right?

This is a story of a little girl who dreamed of becoming a wife, mother, and attorney. By age 21, the same little girl was an unmarried mother of 2, stripper, prostitute, and what I call a "Lost Girl." But it doesn't end there. By the end of this book you will read how Gods Amazing Grace intervenes and this "Lost Girl" finally finds her way.

The inspiring journey of a girl from Africa whose near-death experience sparked a dream that changed the world. When severe draught hit her village in Zimbabwe, Elizabeth, then eight, had no idea that this moment of utter devastation would come to define her life purpose. Unable to move from hunger, she encountered a United Nations aid worker who gave her a bowl of warm porridge and saved her life. This transformative moment inspired Elizabeth to become a humanitarian, and she vowed to dedicate her life to giving back to her community, her continent, and the world. Grounded by the African concept of ubuntu—"I am because we are"—I Am a Girl from Africa charts Elizabeth's quest in pursuit of her dream from the small village of Goromonzi to Harare, London, New York, and beyond, where she eventually became a Senior Advisor at the United Nations and launched HeForShe, one of the world's largest global solidarity movements for gender equality. For over two decades, Elizabeth has been instrumental in creating change in communities all around the world; uplifting the lives of others, just as her life was once uplifted. The Girl With All The Gifts

A wildly picaresque new novel from Jonas Jonasson, the author of the internationally bestselling The 100-Year-Old Man Who Climbed Out the Window and Disappeared In a tiny shack in the largest township in South Africa, Nombeko Mayeki is born. Put to work at five years old and orphaned at ten, she quickly learns that the world expects nothing more from her than to die young, be it from drugs, alcohol, or just plain despair. But Nombeko has grander plans. She learns to read and write, and at just fifteen, using her cunning and fearlessness, she makes it out of Soweto with millions of smuggled diamonds in her possession. Then things take a turn for the worse... Nombeko ends up the prisoner of an incompetent engineer in a research facility working on South Africa's secret nuclear arsenal. Yet the unstoppable Nombeko pulls off a daring escape to Sweden, where she meets twins named Holger One and Holger Two, who are carrying out a mission to bring down the Swedish monarchy...by any means necessary. Nombeko's life ends up hopelessly intertwined with the lives of the twins, and when the twins arrange to kidnap the Swedish king and prime minister, it is up to our unlikely heroine to save the day—and possibly the world. In this wild rump, Jonasson tackles issues ranging from the pervasiveness of racism to the dangers of absolute power while telling a charming and hilarious story along the way. In the satirical voice that has earned him legions of fans the world over, Jonasson gives us another rollicking tale of how even the smallest of decisions can have sweeping—even global—consequences.

Misery

One Christmas, all the children in the world are bad—except one! Molly must save the holiday by reminding Santa of the meaning of Christmas.

"If somewhere in the afterlife Roald Dahl met Charles Dickens and they cooked up a new Christmas tale, it couldn't have much on this fleet, verbally rambunctious, heart-stealing follow-up to A Boy Called Christmas."--The New York Times Amelia Wishart was the first child ever to receive a Christmas present. It was her Christmas spirit that gave Santa the extra boost of magic he needed to make his first trip around the world. But now Amelia is in trouble. When her mother falls ill, she is sent to the workshop to toil under cruel Mr. Creeper. For a whole year, Amelia scrubs the floors and eats watery gruel, without a whiff of kindness to keep her going. It's not long before her hope begins to drain away. Meanwhile, up at the North Pole, magic levels dip dangerously low as Christmas approaches, and Santa knows that something is gravely wrong. With the help of his trusty reindeer, a curious cat, and Charles Dickens, he sets out to find Amelia, the only girl who might be able to save Christmas. But first Amelia must learn to believe again. . . . "Matt Haig has an empathy for the human condition, the light and the dark of it, and he uses the full palette to build his excellent stories." --Neil Gaiman, Newbery-winning author of The Graveyard Book "With a little bit of naughty and a lot of nice, this Christmastime yarn is a veritable sugarpum." --Kirkus Reviews

'A real hero looks like Nice Leng'etc. . . . [An] elegant and inspiring memoir' New York Times Nice Leng etc. was raised in a Maasai village in Kenya. In 1998, when Nice was six, her parents fell sick and died, and Nice and her sister Soila were taken in by their father's brother, who had little interest in the girls beyond what their dowries might fetch. Fearing "the cut" (female genital mutilation, a painful and sometimes deadly ritualistic surgery), which was the fate of all Maasai women, Nice and Soila climbed a tree to hide. Nice hoped to find a way to avoid the cut forever, but Soila understood it would be impossible. But maybe if one of the sisters submitted, the other would be spared. After Soila chose to undergo the surgery, sacrificing herself to save Nice, their lives diverged. Soila married, dropped out of school, and had children – all in her teenage years – while Nice postponed receiving the cut, continued her education, and became the first in her family to attend college. Supported by Amref, Nice used visits home to set an example for what an uncut Maasai woman can achieve. Other women listened, and the elders finally saw the value of intact, educated girls as the way of the future. The village has since ended FGM entirely, and Nice continues the fight to end FGM throughout Africa and the world. Nice's journey from "heartbroken child and community outcast, to leader of the Maasai" is an inspiration and a reminder that one person can change the world – and every girl is worth saving.
