Dp Architects On Orchard Road
Located at the junction of Saint Thomas Walk and River Valley Road, 8 Saint Thomas Residence is a high-end condominium located in the heart of Orchard Road, a prime area in Singapore. As a local firm in Singapore, DP Architects is familiar with the tropical climate condition, the cultural context and lifestyle preferences within this region.

DP Architects

DP has designed, retrofitted and reworked nearly 30 projects on and around Orchard Road, redeveloping an entire shopping corridor and contributing to Orchard Road's transformation into one of Singapore's, and Asia's, great urban spaces; a rare example of the long-term influence of a single design firm on an urban centre.

Our Experience | DP Architects

When tasked with converting the primary hotel lobby of Mandarin Singapore into a four-storey retail podium, our design scheme had a key consideration: how do we reconfigure the site so that it maintains its commanding presence on Orchard Road while transforming it into a retail space that is relevant to its time and age?

The two identical 35-storey towers in a perfect symmetry of sophistication are sited in the immediate vicinity of Singapore's famous Orchard Road. Outdoor spaces and transitions place the site in relation to the architecture.

DP Architects

Amid the sea of retail malls along Orchard Road, the grand façade of Paragon Shopping Centre stands magnificently, catching the eye of many – radiating brightly as sunlight hits, and illuminating as night falls. Located at the geographical midpoint of Orchard Road, Paragon Shopping Centre has had a particularly active history of reconfiguration. Since the late 1990s alone, DP Architects has designed three phases of additions and alterations— in 1999, 2003, and 2009 — each re ...
