*Working through this student-centred text readers will be brought up to speed with the modelling of control systems using Laplace, and given a solid grounding of the pivotal role of control systems across the spectrum of modern engineering. A clear, readable text is supported by numerous worked example and problems. * Key concepts and techniques introduced through applications * Introduces mathematical techniques without assuming prior knowledge * Written for the latest vocational and undergraduate courses*

Adult Coloring Book

What is a mini pig? How big can they really get? Is it the right pet for you? Mini Pigs introduces readers to this cute, yet unusual pet. Readers will get all the information they need to know before choosing this pet as well as the ins and outs of mini pig care. This is the journey of a boy born in a remote village, who went from riding a bullock cart to owning an airline, a journey of an entrepreneur who built India's first and largest low-cost airline Filled with rich anecdotes of everyday struggles and joys, this is the awe-inspiring story of Captain G.R. Gopinath. This autobiography narrates in gritty detail Captain Gopinath's incredible journey: quitting the Indian Army in the late 1970s with a princely gratuity of Rs 6500, going back to his farm land inundated by the river, converting a piece of barren land to set up a farm for ecologically sustainable silkworm rearing, winning the Rolex award for it, his loves and passions, his extraordinary determination to launch an airline (which touched a crazy market cap of US\$ 1.1 billion in less than four years), in the process rewriting aviation history.

Patternmaking for Underwear Design 2nd Edition is a comprehensive patternmaking guide suitable for students, teachers and the industry. Step-by-step instruction is matched with superb illustrations, and all measurements are provided in both metric and Imperial scales. This book introduces common bra patternmaking methods widely used in the industry and offers the authors own innovative bra patternmaking method entitled Shin's method. This new method includes two intermediate blocks developed using the flat patternmaking concept. Shin's method enables novice patternmakers to create various bra designs from scratch with commercial fit quality. Patternmaking for Underwear Design 2nd edition elaborates the direct bra drafting further, thus the readers whose bra size is not 34B (75B) could draft their own bra according to their body measurements. Bra grading method is also added to the 2nd edition to enable the readers to grade the bra from 34B.

The new edition of Gene Control has been updated to include significant advances in the roles of the epigenome and regulatory RNAs in gene regulation. The chapter structure remains the same: the first part consists of pairs of chapters that explain the mechanisms involved and how they regulate gene expression, and the second part deals with specific biological processes (including diseases) and how they are controlled by genes. Coverage of methodology has been strengthened by the inclusion more explanation and diagrams.The significant revision and updating will allow Gene Control to continue to be of value to students, scientists and clinicians interested in the topic of gene control.

Patternmaking for Underwear Design

Watching a rented video, Tertuliano Maximo Afonso is shocked to notice that one of the actors is identical to him in every physical detail. He embarks on a secret quest to find his double and sets in motion a train of events that he cannot control. Saramago's novel explores the nature of individuality and examines the fear and insecurity that arise when our singularity comes under threat, when even a wife cannot tell the original from the imposter...

A terrorist at the Moscow Film Festival plots an international incident. Built in the twilight of the Tsarist state, Moscow's Metropole Hotel is a poignant reminder of the decadence of the last regime. But today its corridors are musty, its rooms are dank, and now its restaurant is the scene of a quadruple murder. Four men -- one American, one Japanese, and two citizens of Mother Russia -- share a meal of smoked salmon, caviar, and two bottles of vodka. In the morning, all are found dead, blood on their lips and faces contorted in pain. To keep the killings under wraps, the Kremlin hands the investigation over to famously discreet police investigator Porfiriy Rostnikov. A terrorist is targeting foreigners to embarrass the Soviet state, and the killer will happily sacrifice any Russian who gets in the way.

An attempt to analyze the events of the alleged scandal which took place in the Indian stock market during 1992.

I'm just a cute blonde college girl who came to the police station to collect money for charity, but here I am in the interrogation room, handcuffed and naked, while a dozen cold, cruel cops do all kinds of nasty, degrading things to me. And the most degrading thing of all is how turned on I am by what they're doing.

Managing Your Scarcest Resources Business leaders know that the key to competitive success is smart management of scarce resources. That's why companies allocate their financial capital so carefully. But capital today is cheap and abundant, no longer a source of advantage. The truly scarce resources now are the time, the talent, and the energy of the people in your organization--resources that are too often squandered. There's plenty of advice about how to manage them, but most of it focuses on individual actions. What's really needed are organizational solutions that can unleash a company's full productive power and enable it to outpace competitors.

Building off of the popular Harvard Business Review article "Your Scarcest Resource," Michael Mankins and Eric Garton, Bain & Company experts in organizational design and effectiveness, present new research into how you

can liberate people's time, talent, and energy and unleash your organization's productive power. They identify the specific causes of organizational drag--the collection of institutional factors that slow things down, decrease output, and drain people's energy--and then offer a pragmatic framework for how managers can overcome it. With practical advice for using the framework and in-depth examples of how the best companies manage their

people's time, talent, and energy with as much discipline as they do their financial capital, this book shows managers how to create a virtuous circle of high performance.

The Big Sleep and (1939 and) is a hardboiled crime novel by Raymond Chandler, the first to feature the detective Philip Marlowe. It has been adapted for film twice, in 1946 and again in 1978. The story is set in Los

Angeles. The story is noted for its complexity, with characters double-crossing one another and secrets being exposed throughout the narrative. The title is a euphemism for death; the final pages of the book refer to a rumination about "sleeping the big sleep". In 1999, the book was voted 96th of Le Monde and 's "100 Books of the Century". In 2005, it was included in Time magazine and 's "List of the 100 Best Novels".

As a child with Tourette syndrome, Brad Cohen was ridiculed, beaten, mocked, and shunned. Children, teachers, and even family members found it difficult to be around him. As a teen, he was viewed by many as purposefully misbehaving, even though he had little power over the twitches and noises he produced, especially under stress. Even today, Brad is sometimes ejected from movie theaters and restaurants. But Brad Cohen's story is not one of self-pity. His unwavering determination and fiercely positive attitude conquered the difficulties he faced in school, in college, and while job hunting. Brad never stopped striving, and after twenty-four interviews, he landed his dream job: teaching grade school and nurturing all of his students as a positive, encouraging role model. Front of the Class tells his inspirational story.

35 YEARS IN THE MAKING: THE MOST ANTICIPATED GRAPHIC NOVEL IN RECENT HISTORY *A GUARDIAN 'BOOKS OF 2021' PICK* The year is 1964. Bailey doesn't realize he is about to fulfil his tragic destiny when he walks into a US Army recruitment office. Secretive, damaged, innocent, trying to forget a past and looking for a future, Bobby is the perfect candidate for a secret US government experiment, an unholy continuation of a genetics program that was discovered in Nazi Germany nearly 20 years earlier in the waning days of World War II. Bailey's only ally and protector, Sergeant McFarland, intervenes, which sets off a chain of cascading events that spin out of everyone's control. As the monsters of the title multiply, becoming real and metaphorical, the story reaches a crescendo of moral reckoning. A 360-page tour de force of visual storytelling, Monsters' narrative canvas is copious: part familial drama, part thriller, part metaphysical journey, it is an intimate portrait of individuals struggling to reclaim their lives and an epic political odyssey that plays across two generations of copious: part familial drama, part thriller, part metaphysical journey, it is an intimate portrait of individuals struggling to reclaim their lives and an epic political odyssey that plays across two generations of copious: part familial drama, part thriller, part metaphysical journey, it is an intimate portrait of individuals struggling to reclaim their lives and an epic composition, the most sophisticated of the artist's career.

There are passages of heartbreaking tenderness, of excruciating pain, of redemption and sacrifice, and devastating violence. Monsters is surely one of the most intense graphic novels ever drawn.

In 1994, twenty-year-old Gunjan Saxena boards a train to Mysore to appear for the selection process of the fourth Short Service Commission (for women) pilot course. Seventy-four weeks of back-breaking training later, she passes out of the Air Force Academy in Dundigal as Pilot Officer Gunjan Saxena. On 3 May 1999, local shepherds report a Pakistani intrusion in Kargil. By mid-May, thousands of Indian troops are engaged in fierce mountain warfare with the aim to flush out the intruders. The Indian Air Force launches Operation Safed Sagar, with all its pilots at its disposal. While female pilots are yet to be employed in a war zone, they are called in for medical evacuation, dropping of supplies and reconnaissance. This is the time for Saxena to prove her mettle. From airdropping vital supplies to Indian troops in the Dras and Batalik regions and casualty evacuation from the midst of the ongoing battle, to meticulously informing her seniors of enemy positions and even narrowly escaping a Pakistani rocket missile during one of her sorties, Saxena fearlessly discharges her duties, earning herself the moniker 'The Kargil Girl'. This is her inspiring story, in her words.

The first collection of letters between the two leading figures of the Beat movement Writers and cultural icons Jack Kerouac and Allen Ginsberg are the most celebrated names of the Beat Generation, linked together not only by their shared artistic sensibility but also by a deep and abiding friendship, one that colored their lives and greatly influenced their writing. Editors Bill Morgan and David Stanford shed new light on this intimate and influential friendship in this fascinating exchange of letters between Kerouac and Ginsberg, two thirds of which have never been published before. Commencing in 1944 while Ginsberg was a student at Columbia University and continuing until shortly before Kerouac's death in 1969, the two hundred letters included in this book provide astonishing insight into their lives and their writing. While not always in agreement, Ginsberg and Kerouac inspired each other spiritually and creatively, and their letters became a vital workshop for their art. Vivid, engaging, and enthralling, Jack Kerouac and Allen Ginsberg: The Letters provides an unparalleled portrait of the two men who led the cultural and artistic movement that defined their generation.

Profiles superstar Hollywood couple Brad Pitt and Angelina Jolie, relating their backgrounds, careers, previous relationships, and how the pair's handlers have managed to create the illusion of their glamorous fairytale life.

Harry Potter: The Complete Collection (1-7)

The year is 1971 Tension is brewing between India and Pakistan One secret could change the course of history . . . It's now up to her When a young college-going Kashmiri girl, Sehmat, gets to know her dying father's last wish, she can do little but surrender to his passion and patriotism and follow the path he has so painstakingly laid out. It is the beginning of her transformation from an ordinary girl into a deadly spy. She's then married off to the son of a well-connected Pakistani general, and her mission is to regularly pass information to the Indian intelligence. Something she does with extreme courage and bravado, till she stumbles on information that could destroy the naval might of her beloved country. Inspired from real events, Calling Sehmat . . . is an espionage thriller that brings to life the story of this unsung heroine of war.

When a woman with brains and beauty from a wealthy background decides to take her fate into her own hands and challenge the restrictions of a male-oriented, conservative society, the consequences can be devastating.Born into one of Pakistan's most influ

In this groundbreaking book, Arnold, a pastor for over forty years, provides fresh biblical insights into critical issues including the sacredness of sex, the struggle against temptation, the decision to remain single or to marry, child rearing, homosexuality, divorce and remarriage. "Sex, God, and Marriage" offers healing to anyone who has known discouragement or failure and hope to anyone who is willing to take a bold new look at a topic of universal interest and concern. Unlike the vast majority of marriage books, "Sex, God, and Marriage" digs deeper than the usual issues and goes to the root: our relationship with God, and the defining power of that relationship over all others in our lives."

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

Rusty Runs AwayPenguin UK

The Thuggees were a roving tribe of assassins and criminals who terrorized India for centuries. This fictionalized autobiography of a member of the Thuggees was a runaway bestseller in nineteenth-century England. Author Philip Meadows Taylor is said to have based the book on his conversations with Syeed Amir Ali (also known as Feringhea), a long-time member of the group.

In the five years of his life that this book traces, Rusty's story is taken forward to his adolescent years. His world is turned topsy-turvy as many upheavals besiege him. After his father and grandmother pass away in quick succession, the twelve-year-old is left in the care of a guardian, Mr Harrison, in Dehra. But after a mysterious incident involving his stepfather and the gardener, he is sent away to boarding school. Restlessness compels him to run away from school, with an ambition to travel the world. But the plan fails, and he is soon back in Dehra, with his strict guardian. Rusty is now seventeen. He rebels and leaves home again, this time for good. Adventurous and thought-provoking, Rusty Runs Away is a book that children and young adults everywhere will enjoy.

All seven eBooks in the multi-award winning, internationally bestselling Harry Potter series, available as one download with stunning cover art by Olly Moss. Gene Control, Second Edition

The Truth and Tragedy of "Shoeless Joe" Jackson

Considered by Ty Cobb as “the finest natural hitter in the history of the game,” “Shoeless Joe” Jackson is ranked with the greatest players to ever step onto a baseball diamond. With a career batting average of .356—which is still ranked third best all time—the man from Pickens County, South Carolina, was on his way to becoming one of the greatest players in the sport’s history. That is, until the “Black Sox” scandal of 1919, which shook baseball to its core. While many have sympathized with Jackson’s ban from baseball (even though he hit .375 during the 1919 World Series), not much is truly known about this quiet slugger. Whether he participated in the throwing of the World Series or not, he is still considered one of the game’s best, and many have fought for his induction into the National Baseball Hall of Fame. From the author of Turning the Black Sox White (on Charles Comiskey) and War on the Basepaths (on Ty Cobb), Fall from Grace tells the story of the incredible life of Joseph Jefferson Jackson. From a mill boy to a baseball icon, author Tim Hornbaker breaks down the rise and fall of “Shoeless Joe,” giving an inside look during baseball’s Deadball Era, including Jackson’s personal point of view of the “Black Sox” scandal, which has never been covered before in this.

When Alex Price agreed to go to Ohio to oversee a basilisk breeding program and assist in the recovery of his psychic cousin, he didn't expect people to start dropping dead. But bodies are cropping up at the zoo where he works, and his girlfriend--Shelby Tanner, an Australian zoologist with a fondness for big cats--is starting to get suspicious. Worse yet, the bodies have all been turned partially to stone... The third book in the InCryptid series takes us to a new location and a new member of the family, as Alex tries to balance life, work, and the strong desire not to become a piece of garden statuary. Old friends and new are on the scene, and danger lurks around every corner. Of course, so do the talking mice.

Quick Reference to COBRA Compliance provides information for administering COBRA in an easy-to-read format that allows the professional to find that information quickly when needed. Additionally, many of the chapters include Job Aids; charts, checklists, sample notices, worksheets, and flowcharts that are specifically designed to assist the benefits professional in COBRA Administration. How to Ask Him Out Without Looking Like A Fool - for Women

This book marks a decade of a column that appears every Monday in The Hindu's Metro Plus, Madras edition. Madras Miscellany has, over that decade, created an awareness and a greater appreciation of the significant past of Madras and of the events and the people who over the years made Madras "the first city of modern India", a description of the City the writer of the column, S.Muthiah, never tires of reiterating. Over a 1500 or so items that appeared in the 514 columns published during Madras Miscellany's first decade appear in the book in three sections:'People', 'Places' and 'Potpourri', the last named being everything else that doesn't fit into the other two sections. And in them there develops a rather comprehensive story of Madras over its nearly 375 years of history.In sum, this is a book for anyone interested in the development of Madras and its considerable contribution to modern India.
