Educational Planning and Management: Amazon.co.uk ...

Educational planning is the process of preparing for your post-secondary education. Effective educational planning enables you to make a smooth transition from high school to college, further technical education or military service. A good educational plan will provide you and your family with a map of your future education and career goals.

What Is the Meaning of Educational Planning? | The Classroom

Educational management refers to the administration of the education system in which a group combines human and material resources to supervise, plan, strategise, and implement structures to execute an education system. Education is the equipping of knowledge, skills, values, beliefs, habits, and attitudes with learning experiences. The education system is an ecosystem of professionals in educational institutions, such as government ministries, unions, statutory boards, agencies, and schools. Th

Educational management - Wikipedia

The general objective of the course as an integral part of the B.Ed Educational Management is to intimate students with the approaches to educational planning as well as highlight the problems inherent in educational planning and implementation practices.
