A year end report, also called an annual report or end of year report, details an organization's activities throughout the preceding year. The report typically communicates overall company performance, financial information, and other key performance indicators (KPIs). Publicly-held companies must submit a year end report as part of their legal accountability to shareholders.

*Free Year End Report Templates | Smartsheet*  
The principle objective of creating a year end report is to retain prospective customers and cultivate relationships with new partners and donors. The report is usually delivered in published form to all stakeholders. Standard Essentials and Components of End Year Reports. As a general rule, an annual report is composed of the following sections:

*How To Write an Year End Report?*
