Enemy of God, the second book in The Warlord Chronicles trilogy by Bernard Cornwell, and the series so far, has truly been serendipity for me. As I mentioned in my previous review, I've never bothered to start Cornwell's work, it brings me joy when someone, a friend (even better again when it's from one of your favorite author) recommended a book/series to you and you loved it.

Enemy of God (The Warlord Chronicles #2)

There are similarities to other Bernard Cornwell books in the sense that the narrator was born to the enemy of the people he now fights for. However no other book manages to mix detailed historical fact with fantasy and legend like the Warlord chronicles do. What about Jonathan Keeble's performance did you like? A perfect performance.
