New Essential Online Resources include Student Book audio, Student Book answer key, Grammar Coach videos, and self-assessments.

This book illuminates some of the complexities of the grammar of English, the areas where new discoveries await and why it matters. Both aimed at the interested general reader and the beginning student of English language and linguistics, this is a fresh take on grammar.

Since its publication in 1971, *Meaning and the English Language* has established itself as a standard textbook for studies in English Language. It deals with areas of the language that are of particular interest in themselves and which are especially difficult for learners to master: tense, progressive and perfect aspects, mood and the modal auxiliaries. There are numerous examples of differences and similarities in meaning throughout the book, making it a clear and precise guide to English. Updated for the language of the 21st Century, this edition will prove invaluable for learners and teachers alike.

**Learners' English Grammar And Composition (On Modern Lines)**

**Adapted to the Use of Schools**

A simple grammar book - fun, easy to use, with lots of pictures. For learners of all ages. A totally new way of learning English! Learners - This book makes English grammar easy for you to learn and remember. We use pictures and diagrams, and simple exercises. See how the grammar works and do the exercises. There are no difficult explanations. It's simple. Now you can understand and use English grammar! Teachers - Jim Rose and Steve Elsworth are best-selling English language authors. Graphic Grammar is a completely new approach to English grammar using visual explanations. The Graphic Grammar series consists of four books, taking the learner from complete Beginner to Early Intermediate stages of English. Each book has fifty units of grammar, with an illustration to exemplify the grammar point, with grammar tables, examples, and practice sentences. All of the practice sentences have answers for self-checking. The language is carefully graded so that the books can be used at home for self-study, or in class with a teacher. The basis of the Graphic Grammar books is that it is easier to see and understand English grammar than it is to read abstract descriptions. Learners can see patterns in the English language, making it easier to understand and remember English usage. Difficult grammatical areas are covered - use of definite or indefinite articles, regular and irregular verb formations, verb transformations, pronouns, adjectives and adverbs.. Brilliantly simple - simply brilliant!

A Communicative Grammar of English has long been established as a grammar innovative in approach, reliable in coverage, and clear in its explanations. This fully revised and redesigned third edition provides up-to-date and accessible help to teachers, advanced learners and undergraduate students of English. Part One looks at the way English grammar varies in different types of English, such as 'formal' and 'informal', 'spoken' and 'written'; Part Two focuses on the uses of grammar rather than on grammatical structure and Part Three provides a handy alphabetically arranged guide to English grammar. A new workbook, The Communicative Grammar of English Workbook also accompanies this edition.

It is a refresher, a reference book and a workbook for teachers of English. It is also for teachers handling subjects other than English in schools and colleges. The book centres round the idea that grammar paves the way for smooth and accurate communication, and aims to strike a balance between conventional concepts and latter-day developments, and between descriptive grammar and grammar in use. Each chapter of the book begins by describing the forms of the grammatical class or category it deals with. It then presents a variety of illustrative examples. Finally, it explains the communicative uses of the forms and the situations in which they are typically used. A distinct feature of the book is that it deals with both spoken and written grammar, with greater emphasis on the written mode.
