Eplan develops CAE solutions and advises companies on how to streamline their engineering processes. Customers benefit from increased efficiency in the product development process through standardised procedures, automated sequences and consistent ...

Engineering data - weidmuller.co.uk

2. Electric P8 makes it easy to upconvert projects to a newer P8 version, but they are not backward compatible. Cons: 1. This is our department's largest expense. 2. Converting from a non-P8 platform to P8 is not trivial. For this reason we do not upgrade EPLAN 21 and EPLAN 5.7 projects into P8 3. Once they stop supporting a version, hope that ...
