**THE BASIC SPANISH SERIES, SPANISH FOR BUSINESS AND FINANCE.** Enhanced Second Edition, is a communication manual designed to serve those in the world of business who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, this worktext presents everyday situations that business and accounting students, pre-professionals, and professionals may encounter at their workplace, on business travel, or while communicating with business partners abroad. **BASIC SPANISH FOR BUSINESS AND FINANCE, Enhanced Second Edition,** introduces essential business vocabulary and Notas culturales written from a cross-cultural perspective. It provides students with opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the BASIC SPANISH core text. A New Media-enabled eBook includes seamless access to audio and video of the text within the chapter. The audio program for the worktext is included as a section at the end of each chapter. Important Notice: Media content referenced within the product description or the product text may not be available in the eBook version.

If you use English on a regular basis, but you feel you need to brush up a little on your grammar, Collins' new Business Grammar and Practice is the perfect solution. Well-known EFL experts Nick Brieger and Simon Swency guide the user through 72 short, succinct units to explain the structure of the English language. They provide examples of real usage, explanations and then practice exercises to cement your understanding. All of the sample sentences are taken from the COBUILD corpus, ensuring that users don't learn traditional, theoretical language, but rather, they come to understand real, useful, everyday expressions.

Clear, simple explanations of grammar points appropriate for lower-level learners. Straightforward practice activities based on accuracy. Authentic source material, providing contexts relevant to adult professional learners' needs. Short end-of-unit sections allowing students to personalise key grammar. Progress tests.

"This is the second, in a two-level series of business vocabulary and practice books. It is a self study/classroom book & CD pack. The first half of the book is devoted to business vocabulary and practice, the second half to skills work. The audio CD features interviews with real business people and has accompanying exercises in the book. The business vocabulary builders are intended as companions to the two business grammar builders by the same author..."--Publisher's description.
