

Fbi Email Exposes Attorney General Promise To Protect

Discover how the United States can beat China, Russia, Iran, and ISIS in the coming information-technology wars from the New York Times bestselling author and veteran Washington Times columnist Bill Gertz. America is at war, but most of its citizens don't realize it. Covert information warfare is being waged by world powers, rogue states—such as Russia, China, Iran, and North Korea—and even terrorist groups like ISIS. This conflict has been designed to defeat and ultimately destroy the United States. This new type of warfare is part of the Information Age that has come to dominate our lives. In *iWar*, Bill Gertz describes how technology has completely revolutionized modern warfare, how the Obama administration failed to meet this challenge, and what we can and must do to catch up and triumph over this timely and important struggle.

“I'm proud of the fact that [...] we're probably the first administration in modern history that hasn't had a major scandal in the White House.” So President Barack Obama boldly declared before leaving office, and numerous times since. But is it true? Not according to Matt Margolis, bestselling co-author of *The Worst President in History: The Legacy of*

Where To Download Fbi Email Exposes Attorney General Promise To Protect

Barack Obama. Margolis lays out the details of literally dozens of Obama administration scandals that have been ignored, downplayed, or covered-up by the mainstream media. From “Fast and Furious,” to the illegal IRS targeting of conservative groups, to the recent NSA spying outrage, Margolis makes a powerful case that the Obama years represented nearly a decade of lawless and abusive governance. While Obama and his allies attempt to spin the narrative that his presidency represented a time of pristine politics, it’s critically important that Americans understand the truth—Barack Obama brought to Washington corrupt Chicago-machine politics of cronyism and corporate payoffs, combined with audacious Alinskyite tactics aimed at dividing Americans and destroying his opponents. Obama’s legacy will be discussed and debated for decades. But in the early months after he left office, more scandals have been uncovered—most notably an illegal scheme of using the NSA to spy on his political opponents and the frightening decision to block the prosecution of Iranian-backed terrorists. Far from being a virtuous New Camelot, the Obama administration abused its power like few others. Kick-Ass Good Guys Disguised as Bad Boys Eternal Brethren: Elite, undercover Navy SEALs tasked with eliminating threats on American soil. Qualifications: Dedicated, deadly, compassionate, body of steel, experienced with motorcycles. Mission: Deep-cover

reconnaissance, high-value target extraction, hostage recovery. Destruction of enemy forces. An unlikely attraction. An indisputable desire. Can their battle of wills lead to love? Exposed, Book Seven, Eternal Brethren Military Romantic Suspense Series

Jace “Raider” DeWitt loves everything about his life as a Navy SEAL. The action, danger, comradery, and his undercover work in the MC. Most of all, he embraces the unknown, not knowing what each day will bring. After years of serving his country, his relationships consist of his team brothers, and he sees no need to expand the circle. Until he discovers the only woman who’s ever held his interest has moved to Liberty Lake. Alvena Kasey had been ready for a change ever since her good friend, Dani Robertson, left Pine Glen to marry Ghost, a Navy SEAL and VP of the undercover MC. Finding work as a nurse in the town across the state was easy, as was settling into her cozy rental home. She hadn’t planned on running into the most ornery patient she’d ever treated. Obnoxious, insufferable, and much too handsome for his own good. The one man who still dominated her dreams. One positive outcome came from their strained reunion—the discovery each has a heart for abused and abandoned children. Thrown together to protect a young boy being stalked by an abusive mother and her boyfriend, Jace and Ali work side-by-side to keep him safe while guarding themselves from an intense,

The Left's Ongoing Attack on American Freedom

An indispensable survival guide for high-net-worth individuals and their advisors If you're like most high-net-worth individuals nowadays, you are underinsured, over-targeted in litigation, and dangerously exposed to risks that can profoundly jeopardize your lifestyle and rob you and your family of what they've worked so hard to

Where To Download Fbi Email Exposes Attorney General Promise To Protect

achieve. Don't risk it all for lack of basic knowledge. Read *Wealth Exposed* and get the practical guidance and real-world solutions you need to protect your hard-earned assets. Written by a leading national risk management expert with extensive experience advising high-net-worth individuals, *Wealth Exposed* alerts you to the full range of risks to which high-net-worth individuals are exposed, while schooling you in your risk management ABCs. Designed for high-net-worth individuals, their CPAs, attorneys, family office managers, and others, *Wealth Exposed* arms you with the knowledge and tools you need to protect yourself, or your clients, from mayhem. Provides a framework for creating a comprehensive personal risk management strategy. Contains numerous real-life anecdotes and case studies drawn from the author's case files. Discusses insurance solutions for property, cars, jewelry, aircraft, watercraft, wine, cars, and more. Read *Wealth Exposed* and find out what you need to know to protect your assets from risk and secure your peace of mind.

The Federal Bureau of Investigation, America's most famous law enforcement agency, was established in 1908 and ever since has been the subject of countless books, articles, essays, congressional investigations, television programs and motion pictures—but even so it remains an enigma to many, deliberately shrouded in mystery on the basis of privacy or national security concerns. This encyclopedia has entries on a broad range of topics related to the FBI, including biographical sketches of directors, agents, attorneys general, notorious fugitives, and people (well known and unknown) targeted by the FBI; events,

Where To Download Fbi Email Exposes Attorney General Promise To Protect

cases and investigations such as ILLWIND, ABSCAM and Amerasia; FBI terminology and programs such as COINTELPRO and VICAP; organizations marked for disruption including the KGB and the Ku Klux Klan; and various general topics such as psychological profiling, fingerprinting and electronic surveillance. It begins with a brief overview of the FBI's origins and history.

Conrad Black, bestselling author of Franklin Delano Roosevelt: Champion of Freedom and Richard M. Nixon: A Life in Full, turns his attention to his "friend" President Donald J. Trump and provides the most intriguing and significant analysis yet of Trump's political rise. Ambitious in intellectual scope, contrarian in many of its opinions, and admirably concise, this is surely set to be one of the most provocative political books you are likely to read this year.

Coup d'État

Understanding Power through Watergate uses the Watergate Affair as a case to highlight the Washington collective power dynamic. Author Tian-jia Dong argues that formal state institutions only work effectively when they are embedded in social dynamics. Academics in the fields of political science, American history, and

Where To Download Fbi Email Exposes Attorney General Promise To Protect

sociology will find great interest in this book, as well as people involved in the political process. This work will also be a valuable supplement to graduate and undergraduate political science and sociology courses. The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873) Contents: The Report: executive summary; Central America; the arms sales to Iran; exposure and concealment; the enterprise; conclusions and recommendations. Also contains the Minority report: the foreign affairs powers of the Constitution and the Iran-Contra Affair; Nicaragua; Iran; disclosure and investigations; putting Congress' house in order; and recommendations. Extensive appendices contain additional views of several Representatives and Senators.

In Deep: The FBI, the CIA, and the Truth about America's "Deep State"

*What can we do to protect ourselves from a terrorist attack, and how can communities respond most effectively when the unthinkable happens? The next large-scale terrorist attack on the United States could be carried out using any number of agents and delivery methods, including anthrax, smallpox, the water system, the agriculture industry; threats to bridges, tunnels, trains, airlines, and other transportation systems; suicide bombings in crowded cities, convention centers, and shopping malls; the possibilities are many, but not endless. Local preparation is critical. Until now, scant attention has been paid to the role of communities in preparing for and responding to terrorism. This invaluable set covers chemical, biological, radiological, nuclear, and explosive scenarios. Throughout, the focus is on community preparedness and response. Volume I, *The Terrorist Threat and Community Response*, focuses on local, state, regional and federal coordination of efforts and interaction.*

Surveillance in America is a study of FBI surveillance practices and policies since 1920 based on recently declassified FBI files. This wide-ranging study looks at such subjects as the media, academic historians, the Watergate crisis, and surveillance of the American working class.

If you ask most Americans what they think about the FBI, they would tell you it's far and away the government

Where To Download Fbi Email Exposes Attorney General Promise To Protect

agency they trust the most. The Bureau has, for decades, sold an image of itself as efficient, professional, unbiased, and untouchable by corruption. That portrait is a sham. Seamus Bruner and the Government Accountability Institute have spent years cataloging the widespread conflict-of-interests of the D.C. political class. They have found massive self-enrichment and political bias at the highest levels of government—including the Justice Department and the FBI. Indeed, the nation's most important law enforcement agency has become so compromised that every major investigation should face intense scrutiny from the public, the media, and from Congress. James Comey, Robert Mueller, Andrew McCabe, and the rest of the recent FBI leadership should be forced to answer for the way the Bureau has abused the public trust under their watch.

account of how power and intelligence are exploited in Washington that “ goes deep indeed inside America ’ s security state, telling a story that will surprise readers of all political persuasions ” (Jane Mayer, author of *Dark Money*). Donald Trump blamed his 2020 defeat on Democrats and the “ deep state ” —a supposed secret cabal of Washington insiders that relentlessly encroaches on the individual rights of Americans—for stealing the election and undermining his presidency. Most Americans who supported him agreed. Americans on the left increasingly fear the “ military-industrial complex, ” a faction of generals and defense contractors who they believe routinely push the country into endless wars. But does the American “ deep state ” really exist? This question is fundamental to preserving the legitimacy of American democracy, as frustration with and distrust for the government continue to grow. *In Deep* seeks to dispel these pernicious myths through an examination of the FBI, CIA, and Justice Department scandals of the past fifty years from the Church Committee ’ s exposure of Cold War abuses to the claims and counterclaims of the Trump era and the relentless spread of conspiracy theories online and on air. It exposes the misconduct of Attorney General William Barr; how distrust of the “ deep state ” undermined the US government response to the COVID-19 pandemic; and the growing discord sowed by the explosion of false information online. It investigates Trump ’ s quest to discredit government experts, the legislative and judicial branches, and the results of the 2020 election and assume authoritarian power for himself. “ The idea of the deep state, Rohde writes, is inextricably linked to a particular view of presidential power ” (Dina Temple-Raston, *Washington Post*). Based on dozens of interviews with career CIA operatives and FBI agents, “ *In Deep* is a wholly satisfying read and a necessary one for anyone wanting to understand the forces at play in our government today ” (Andrea Bernstein, Peabody Award – winning cohost of the Trump, Inc. podcast and author of *American Oligarchs*).

The Scandalous Presidency of Barack Obama

The Scandalous Presidency of Barack Obama

Critical Analysis of the FBI, 1920 to the Present

“That the Left tried to undo the results of the 2016 by whatever means necessary is not in doubt. Fred Lucas reminds us of the dangers this approach poses to constitutional government as he dissects what President Trump has rightly called one of the greatest hoaxes in our history.” —Cal Thomas, syndicated columnist and bestselling author “A devastating and comprehensive takedown of Trump’s impeachment, and a thoughtful look at the historical context of past impeachments, with strong reporting and research to combat the Left’s inevitable rewrite of history.”

—Sara Carter, Fox News Contributor, award-winning correspondent, host of The Sara Carter Show podcast “Fred Lucas goes beyond the tribalism to the truth. There doesn’t need to be any partisan spin here, because the facts of the coup the Democrats attempted speak for themselves.”

—Steve Deace, host of the Steve Deace Show on TheBlaze TV Abuse of Power exposes: • How Elizabeth Warren tried to set an impeachment trap for Trump even before the inauguration. • Why the depths of the Biden family’s

Where To Download Fbi Email Exposes Attorney General Promise To Protect

international conflict of interests are worthy of a federal investigation. • Why Nancy Pelosi caved to The Squad to remain leadership. • How Adam Schiff pushed Jerry Nadler out of the key spot to lead the impeachment. • How Democrats abandoned what would have been a crowning leftwing achievement in gun control legislation in order to pursue an impeachment that was destined to fail in the Senate. • How Mitt Romney's vote to convict likely prevent three moderate Democrats from rebelling against party leaders.

Popular radio host and conservative legal and political commentator Jordan Sekulow offers an action plan that will bring real change to government and help secure the future of our nation. The next red wave is coming: November 3, 2020. We face battles on many fronts. The Deep State bureaucracy will stop at nothing to undermine the conservative agenda, even when that's the agenda chosen by the American voter. The liberal bureaucracy will continue to work alongside former liberal government officials from, yes, the Obama Administration and Team Clinton. In this election, the Left's prized goal - exclusively - will be defeating President Donald Trump by whatever means necessary. A red wave that surpasses the turnout and figures of the historic 2016 election will be the only way to win. Our opponents won't be caught off guard by President Trump again. I promise you, the DNC and liberal activists organizations began working on plans to defeat President Trump in 2020 before he was even inaugurated in 2017. In fact, we have evidence of FBI officials attempting to undermine President Trump as he was preparing to take the Oath of Office. So-called "progressives" and the radical Left relentlessly force their liberal agenda on the American people. Even when Republican majorities control both houses of Congress, the deck can feel stacked against us. The confirmation hearings

Where To Download FBI Email Exposes Attorney General Promise To Protect

for Justice Kavanaugh are a good reminder about the chaos liberals can cause even when they are in the minority. Now, Democrats control the House of Representatives while Republicans maintain control of the U.S. Senate. We deserve better. All Americans deserve better. We deserve politicians who keep their promises. The only way to force action and hold our elected officials accountable is to know the issues and engage the political process. But it's more than just fulfilling our civic duty at the ballot box. It's being actively engaged in public discourse in between elections. Battles - important battles - are won far more often in the court of public opinion than in any federal courtroom. These battles affect our lives every single day. It's time to fight back and come together to generate the next red wave. We can't wait another moment. Now is the time to do it. It really is up to us. The clock is ticking.

Ever wonder what an FBI agent really does? Recently, the Domestic Investigations and Operations Guide has been plastered all over newspaper headlines. The guide “applies to all investigative activities and intelligence collection activities conducted by the FBI within the United States or outside the territories of all countries. This policy document does not apply to investigative and intelligence collection activities of the FBI in foreign countries; those are governed by the Attorney General’s Guidelines for Extraterritorial FBI Operations.” Now, anyone can get their hands on it! Inside curious readers will find the FBI guidelines for: Protection of First Amendment Rights The FBI’s Core Values Investigative Methods Electronic Surveillance Criminal Matters Outside FBI Jurisdiction And many others! The FBI is one of the most secretive government organizations in the country, but with this guide you can peek inside and view what only FBI agents know. This recent unclassified text reveals their ominous power—see first-hand how quickly your rights can be taken

Where To Download FBI Email Exposes Attorney General Promise To Protect

away by them. You will be shocked by what you read!

War and Peace in the Information Age

A President Like No Other

The Final Chapter One American's Opinion

Understanding Power Through Watergate

The Deep State isn't finished trying to destroy President Donald Trump—they've only just begun. Coup d'Etat blows the lid off the Deep State's efforts to prevent the Trump presidency, disrupt his agenda, and prevent his reelection. In this book you'll learn:

- The truth behind Robert Mueller's Special Counsel baseless investigation.
- The identity of the Trump cabinet member who proposed wearing a wire to take down Trump.
- How the FBI entrapped members of the Trump team—and how they unsuccessfully tried the same with Corsi.
- How the Democratic establishment faked evidence of Russian interference.
- The truth behind Julian Assange's arrest, and what the Deep State wants to prevent him from exposing.
- How the FBI abused FISA law to spy on Trump—and how they tried to hide it.
- Mueller's continued coverup that the media refuses to report.

This is the book the Deep State and the media don't want you to read.

This is the full Mueller Report, as released on April 18, 2019, by the U.S. Department of Justice. A reprint of the report exactly as it was issued by the government, it is without analysis or commentary from any other source and with nothing subtracted except for the material redacted by the Department of Justice. The mission of the Mueller investigation was to examine Russian interference in the 2016 Presidential election, consisting of possible links, or "collusion," between the Donald Trump campaign and the Russian government of Vladimir Putin as well as any allegations of obstruction of justice in this

Where To Download Fbi Email Exposes Attorney General Promise To Protect

regard. It was also intended to detect and prosecute, where warranted, any other crimes that surfaced during the course of the investigation. The report consists of a detailed summary of the various investigations and inquiries that the Special Counsel and colleagues carried out in these areas. The investigation was initiated in the aftermath of the firing of FBI Director James Comey by Donald Trump on May 9, 2017. The FBI, under Director Comey, had already been investigating links between Russia and the Trump campaign. Mueller submitted his report to Attorney General William Barr on March 22, 2019, and the Department of Justice released the redacted report one month later.

****THE INSTANT NEW YORK TIMES BESTSELLER**** "John Brennan is one of the hardest-working, most patriotic public servants I've ever seen, and our country is better off for it. As president, he was one of my closest advisors and a great friend. And in his memoir, *Undaunted*, you'll see why. I hope you'll read it." —President Barack Obama A powerful and revelatory memoir from former CIA director John Brennan, spanning his more than thirty years in government. Friday, January 6, 2017: On that day, as always, John Brennan's alarm clock was set to go off at 4:15 a.m. But nothing else about that day would be routine. That day marked his first and only security briefing with President-elect Donald Trump. And it was also the day John Brennan said his final farewell to Owen Brennan, his father, the man who had taught him the lessons of goodness, integrity, and honor that had shaped the course of an unparalleled career serving his country from within the intelligence community. In this brutally honest memoir, Brennan, the son of an Irish immigrant who settled in New Jersey, describes the life that took him from being a young CIA recruit enamored with the mystique of spy work, secretly defiant enough to drive a motorcycle and sport a diamond earring, and invigorated by his travels in the Middle East to

Where To Download Fbi Email Exposes Attorney General Promise To Protect

being the most powerful individual in American intelligence. He details his experiences with very different presidents and what it's been like to bear responsibility for some of the nation's most crucial and polarizing national security decisions. He pulls back the curtain on the inner workings of the Agency, describing the selfless, patriotic, and invisible work of the women and men involved in national security. He also examines the insularity, arrogance, and myopia that have, at times, undermined its reputation in the eyes of the American people and of members of other branches of government. Through topics ranging from George W. Bush's intervention in Iraq to his thoughts on the CIA's controversial use of enhanced interrogation techniques to his eye-opening account of the planning of the raid that resulted in Bin Ladin's death to his realization that Russia had interfered with the 2016 election, Brennan brings the reader behind the scenes of some of the most crucial moments in recent U.S. history. He also candidly discusses the times he has failed to live up to his own high standards and the very public fallouts that have resulted. With its behind-the-scenes look at how major U.S. national security policies and actions unfolded during his long and distinguished career—especially during his eight years in the Obama administration—John Brennan's memoir is a work of history with strong implications for the future of America and our country's relationships with other world powers. Undaunted: My Fight Against America's Enemies, at Home and Abroad offers a rare and insightful look at the often-observed world of national security, the intelligence profession, and Washington's chaotic political environment. But more than that, it is a portrait of a man striving for integrity; for himself, for the CIA, and for his country.

Confirmation Hearing on the Nomination of Alberto R. Gonzales to be Attorney General of the United States

An Analytical Study

Evangelicals gave 81% of their votes to Donald Trump in 2016, a record in the history of modern polling.

Critics charge that evangelical Trump supporters have revealed themselves to be political prostitutes and hypocrites who surrendered their religious

integrity in order to gain access to power, modern-day Pharisees who have so thoroughly compromised their witness that they are now disqualified from speaking out on moral issues in the future. As a

prominent evangelical figure for a quarter century and both a friend of President Trump and a member of his campaign Faith advisory board, Dr. Ralph Reed persuasively argues that evangelicals have a moral obligation to enthusiastically back Trump due to the stridently anti-Christian, anti-Semitic, and pro-abortion agenda of the progressive left.

This book examines how American foreign policy and the commercial film industry's economic interests influenced the portrayal of international terrorism in Hollywood blockbuster films from the time of the Iran hostage crisis to the 9/11 terrorist attacks. Part I provides a historical overview of modern international terrorism and how it relates to the United States, its news media, and its film industry.

Part II covers depictions of terrorism during the Cold War under President Reagan, including films like Commando and Iron Eagle. Part III covers the

Where To Download FBI Email Exposes Attorney General Promise To Protect

Hollywood terrorist after the Cold War, including European terrorists in the Die Hard franchise, Passenger 57, Patriot Games, Blown Away, The Jackal and Ronin; fundamentalist Islamic terrorists in True Lies and Executive Decision; the return of the communist threat in Air Force One; and 9/11 foreshadowing in The Siege.

How Latino activists brought down powerful Arizona sheriff Joe Arpaio Driving While Brown is a saga and a warning. Two investigative journalists spent several years chronicling the human consequences of Sheriff Joe Arpaio's relentless immigration enforcement in Maricopa County, Arizona. They tell the tale of two dueling movements--Arizona's restrictionist cause embraced by Joe Arpaio and the Latino resistance that rose up against him. This inside story of the wrenching battles that embittered and divided Arizonans offers a fresh perspective on the roots of the Trump administration's national crusade against immigrants. The narrative follows activist Lydia Guzman, who paid a steep personal price for gathering evidence in a landmark racial-profiling lawsuit that took surprising twists and stunned the nation. The daughter of a Mexican immigrant, Guzman was one voice in the Latino-led resistance--a coalition of men and women of different generations united in their unfaltering resolve to stop Arpaio, reform unconstitutional law enforcement, and fight for their civil rights. Driving While Brown documents Arpaio's transformation from "America's Toughest Sheriff," who forced jail inmates to wear pink underwear, into the nation's most notorious immigration enforcer. A polarizing figure in recent American history, the sheriff was celebrated by a

Where To Download FBI Email Exposes Attorney General Promise To Protect

national fan base even as he became a symbol of white supremacy to his foes. After being found guilty of a crime tied to disobeying a federal judge, Arpaio was pardoned by his friend, Donald Trump. In Driving While Brown, Terry Greene Sterling and Jude Joffe-Block immerse readers in the lives of people on both sides of this tense narrative. The result of tireless investigative reporting, their book provides critical insights into effective resistance to entrenched, institutionalized racism in law enforcement.

Everyone has an opinion about whether or not Donald Trump colluded with the Russians to defeat Hillary Clinton in 2016. The number of actors involved is staggering, the events are complicated, and it's hard to know who or what to believe. Spygate bypasses opinion and brings facts together to expose the greatest political scandal in American history. Former Secret Service agent and NYPD police officer Dan Bongino joins forces with journalist D.C. McAllister to clear away fake news and show you how Trump's political opponents, both foreign and domestic, tried to sabotage his campaign and delegitimize his presidency. By following the names and connections of significant actors, the authors reveal:

- Why the Obama

Where To Download Fbi Email Exposes Attorney General Promise To Protect

administration sent a spy connected to the Deep State into the Trump campaign • How Russians were connected to the opposition research firm hired by the Clinton campaign to find dirt on Trump • How the FBI failed to examine DNC computers after they were hacked, relying instead on the findings of a private company connected to the DNC and the Obama administration • Why British intelligence played a role in building the collusion narrative • What role Ukrainians played in legitimizing the perception that Trump was conspiring with the Russians • How foreign players in the two events that kickstarted the Trump-Russia collusion investigation were connected to the Clinton Foundation, and • What motivated the major actors who sought to frame the Trump campaign and secure a win for Hillary Clinton

NEW YORK TIMES BESTSELLER In this explosive new book, New York Times bestselling author and president of Judicial Watch Tom Fitton explains how the Radical Left and the Deep State are trying to destroy the Trump presidency. Tom Fitton's first two New York Times bestselling books, *The Corruption Chronicles* and *Clean House*, exposed the hypocrisy and corruption of Obama's two terms. Now, in Fitton's latest investigative probe, he identifies the four major forces posing a continued threat to American democracy. *Deep State Efforts to Destroy the Trump Presidency: How the Democratic National Committee and the Clinton campaign paid for the fraudulent anti-Trump "Steele Dossier,"* and how it was used by the Obama FBI and DOJ to dupe

Where To Download Fbi Email Exposes Attorney General Promise To Protect

the FISA Court to allow it to spy on the Trump presidential campaign AND President Trump. These and more dirty secrets of Obamagate and the impeachment coup attempt are exposed. Hillary Clinton Email Scandal: How the Clinton team and senior officials at the Obama State Department conspired to cover up Hillary Clinton's secret email system—and shocking revelations that tie the Obama White House to the cover-up! Voter Fraud: How Soros-funded groups attack states that seek to protect clean elections by challenging voter ID laws, and how the Left is cynically peddling COVID-19 crisis electoral “reforms,” such as mail-in voting, which could increase voter fraud and election chaos. And shocking numbers about dirty voting rolls across the nation! Illegal Immigration: How deadly illegal “sanctuary” policies are exploding across America, and how our nation's sovereignty has been under assault by radical open-border advocates. Subversive Deep State collaborators with ties to the Clinton and Obama machines not only launched countless—often illegal—operations to stop and then remove Trump, but even more alarmingly, are working to transform the United States into something truly unrecognizable to all who believe in liberty and the rule of law. Today one of their main targets is President Donald J. Trump. Tomorrow it could be you and anyone who believes in the US Constitution, believes the United States must have clearly defined and protected borders, believes in the need for a strong military, believes in the value of

Where To Download Fbi Email Exposes Attorney General Promise To Protect

hard work and faith, and believes in the rule of law and American exceptionalism.

Terror's Aftermath describes the time after The Other Side Of The War On Terror - after November 1st 2009 - when I had returned to the United States. Still dogged by the White Tiger Chinese Mafia, the United States launched a large scale cover up effort against me - one in which the mafia slowly took over the personnel involved. A tale of intrigue as the varied factions in and out of the government wrestle for control of my surroundings and control of the political blackmail it represented.

Investigating the Iran/Contra Affair

This is the final book in the One American's Opinion – For Patriots Who Love Their Country Trilogy. The first book was about President Obama's years in office. The second book covered the first year of the Trump presidency. This final book chronicles the current state of America, the Marxist destruction of American culture, and the power and control over America they desire.

Where To Download Fbi Email Exposes Attorney General Promise To Protect

The original colonists came to America to escape religious persecution, escape repression, and find better economic opportunity. If we lose America to the progressives and their Marxist based ideology, we will no longer have freedom of speech, freedom of religion, freedom from repression, or economic opportunity. Our cultural heritage, our philosophy of government, and our free market capitalist-based economy has made America the greatest civilization the world has ever known. We are in a fight for the soul of our democracy. Historically, throughout civilization, it has not been a question of whether a successful society can last forever but how long it can last. There is no society that has outlasted the test of time. The real question is when. America's future existence is the crucial question for this book.
