The Unorthodox Guitar: A Guide to Alternative Performance Practice is a comprehensive resource for experimentally minded guitarists and composers wishing to write for or perform on the instrument in new ways. The book focuses primarily on unconventional approaches to guitar performance, which include alternative tunings, extended techniques, instrumental preparations, electronic augmentations, and issues related to performing and recording with a computer. Embracing all guitar types-nylon, steel-string acoustic, and electric-techniques and examples are culled from a broad range of musical genres, including blues, contemporary classical, country, folk, jazz, rock, and non-Western idioms.

While the writing offers a treasure trove of possibilities for experimental improvisation, it is oriented towards formal composition, and to that end details the controllable dimensions of the techniques and preparations at hand, along with strategies that might be adopted to notate them. Conventional guitar amplifiers, effect pedals, and pedalboards are examined, along with a discussion of analog signal chains, rig design, and best practices for the preservation of tone. In addition, possibilities of forced by the addition of a computer to the guitar rig are explored, including signal processing, sensor augmentation, and score following. The writing is paired with a companion website that contains an abundance of audio, video, and software materials to supplement the ideas presented. This information is intended to serve as a guide, reference, and source of inspiration for those wishing to compose and/or perform on the instrument in innovative ways. You've never seen fisher like these. You've never experienced New York like this. The only series based on the real world of the NYPD Bomb Squad. Series Technical Consultant Lt. Mark Torre, Commander of the NYPD Bomb Squad Bomb Squad Commander Lieutenant Joseph Capobianco fields an unusual request from a friend of the mayor's: Do a bomb sweep at the famed Julius School of Music and at the luxurious apartment of their visiting star tenor, Claudio Sponto. At first the team that Joe sends finds nothing in the way of bombs, but other signs of trouble mount rapidly. Someone doesn't want Sponto to remain in New York - and that someone is threatening violence via bomb. The commander soon realizes that this case has echoes of the Bomb Squad's origins in extortion from the Black Hand, evoking threats made nearly a hundred years before against the great tenor Enrico Caruso. What does this new Black Hande know about these parallels? Is this a personal challenge to Joe's early tenure as Bomb Squad commander? And, as the Black Hand grows bolder, can Joe's team stop the extortionist before someone dies in the escalating violence?

A NEW YORK TIMES BESTSELLER "A memoir as fierce, free-wheeling, and passionate as her music."—O, the Oprah magazine A memoir by the celebrated singer-songwriter and social activist Ani DiFranco In her new memoir, No Walls and the Recurring Dream, Ani DiFranco recounts her early life from a place of hard-won wisdom, combining personal reflection, the power of music, feminism, political activism, storytelling, philanthropy, entrepreneurship, and much more into an inspiring whole. In these frank, honest, passionate, and often funny pages is the tale of one woman's eventful and radical journey to the age of thirty. Ani's coming of age story is defined by her ethos of fierce independence—from being an emancipated minor sleeping in a Buffalo bus station, to unwaveringly building a career through appearances at small clubs and festivals, to releasing her first album at the age of 18, to consciously rejecting the mainstream recording industry and creating her own label, Righteous Babe Records. In these pages, as in life, she never hesitates to question established rules and expectations, maintaining a level of artistic integrity that has inspired and challenged more than a few. Ani continues to be a major touring and recording artist as well as a celebrated activist and feminist, standing as living proof that you can overcome all personal and societal obstacles to be who you are and to follow your dreams.

This fascinating narrative tells the story of a remarkable regiment at the center of Civil War history. The real-life adventure emerges from accounts of scores of soldiers who served in the 4th Michigan Infantry, gleaned from their diaries, letters, and memoirs; the reports of their officers and commanders; the stories by journalists who covered them; and the recollections of the Confederates who fought against them. The book includes tales of life in camp, portraying the Michigan soldiers as everyday people—recounting their practical jokes, illnesses, political views, personality conflicts, comradeship, and courage. The book also tells the true story of what happened to Colonel Harrison Jeffords and the 4th Michigan when the regiment marched into John Rose's wheat field on a sweltering early July evening at Gettysburg. Beyond the myths and romanticized newspaper stories, this account presents the historical evidence of Jeffords's heroic, yet tragic, hand-to-hand struggle for his regiment's U.S. flag.
