*In Aztec mythology, the fertility goddess Tonacacihuatl – meaning “Lady of Our Food” or “Lady of Our Flesh” – was worshipped for peopling the earth and making it fruitful. The husking of the corn was perceived by the Aztec as the same act as the tearing out of a sacrificial victim’s heart – both using the obsidian blade that was Tonacacihuatl’s symbol.*

*Godflesh* are an English industrial metal band from Birmingham, England. The group formed in 1982 under the title *Fall of Because* but did not release any complete music until 1988 when Justin Broadrick (guitar, vocals and programming) and G. C. Green (bass) renamed the band and decided to use a drum machine for percussion.
