Germain Ford of Beavercreek offers diesel engine service and repair near Dayton, OH. We provide service for all types of Ford diesel engines, including engines found in Super Duty pickups and Transit vans. We use only quality OEM Ford parts to make sure your vehicle's diesel engine continues running smoothly for years to come.

**Ford Diesel Engine Service and Repair**  
Diesel engines require fewer appointments for repair and maintenance Compared to a gasoline-powered vehicle, a diesel car or truck can have lower rates of maintenance, depending on the model. A diesel engine doesn't require spark plugs or distributors, which figures more heavily into the maintenance schedule of a vehicle with a traditional internal combustion engine.

**Are Diesel Engines More Expensive to Repair?**
