Updated: Buyer's guide to the Ford Puma. Despite only arriving in the UK at the start of 2020, the new Ford Puma is proving to be a smash hit, and has scooped a number of awards already. It's one of the best cars to drive in the crossover segment, and feels just as agile as any supermini behind the wheel. However, it's also well-equipped and is rather spacious, too – not least thanks to its clever 'MegaBox' boot – while also features new mild-hybrid petrol engines as well.
