HARRISBURG — The recent findings of a massive grand jury investigation into the state ' s failure to protect communities from unconventional oil and gas development, known as fracking, were damning, and lent official credence to problems many residents have decried for years.

Damning report on Pa. ' s failure to protect residents from ...  
Environmental impact of hydraulic fracturing. The  
environmental impact of hydraulic fracturing is related to land  
use and water consumption, air emissions, including methane  
emissions, brine and fracturing fluid leakage, water  
contamination, noise pollution, and health. Water and air  
pollution are the biggest risks to human health from hydraulic  
fracturing.

Fracking: Environmental Protection and Development of ...

In 2011, in the United Kingdom, the Northern Ireland Assembly passed a motion stating that there should be a moratorium on fracking in the continental and offshore territories; this, as a response to the fact that fracking represents environmental and social risks and is incompatible with efforts to reduce greenhouse gas emissions. In that motion, the Assembly recommended that the Ministry of Economy increase support for renewable energy (Northern Ireland Assembly, 2011).

The legal status of fracking worldwide: An environmental ...

Opponents of fracking in Nottinghamshire have called for stricter planning controls on future shale gas development in the county. IGas shale gas exploration site at Misson Springs, Nottinghamshire, 18 January 2019. Photo: Eric Walton They said there should be restrictions on fracking in former coalmining areas, protection from earthquakes and separate policies for shale gas...

Calls for tougher controls on shale gas and fracking in ...

Fissures created by the fracking process can also create underground pathways for gases, chemicals and radioactive material. The Environmental Protection Agency and United States Geological Survey have recently confirmed what residents of Pavillion, Wyoming had been claiming--that hydrofracking had contaminated their groundwater.

Potential Health and Environmental Effects of ...
