

Franklin Says I Love You

Franklin and his friends love to play soccer, even if they never succeed in scoring a goal, but when they learn to work together, their playing improves.

Frank Li is a high school senior living in Southern California. Frank's parents emigrated from Korea, and have pretty much one big rule for Frank - he must only date Korean girls. But he's got strong feelings for a girl in his class, Brit - and she's not Korean. His friend Joy Song is in the same boat and knows her parents will never accept her Chinese American boyfriend, so they make a pact: they'll pretend to date each other in order to gain their freedom. Frank thinks fake-dating is the perfect plan, but it leaves him wondering if he ever really understood love - or himself - at all. David Yoon's debut novel is a quirky, authentic, heartbreaking romantic comedy and a refreshingly different take on race, immigrant communities, friendship and family.

The human heart was created with a great capacity to love. But along with that comes a great capacity to feel pain. There is no denying that those who love us, who are closest to us, can wound us the most profoundly. That kind of pain can be difficult, if not impossible, to overcome. And it can feel even more impossible to continue loving in the face of it. Yet that is exactly what we are called to do. Sharing his own story of personal pain, pastor and New York Times bestselling author Jentezen Franklin shows us how to find the strength, courage, and motivation to set aside the hurt, see others as God sees them, and reach out in love. Through biblical and modern-day stories, he discusses different types of relational disappointment and heartache, and answers questions such as Why should I trust again? and How can I ever really forgive? The walls we build around our hearts to cut us off from pain are the very walls that block us from seeing hope, receiving healing, and feeling love. Here are the tools and inspiration you need to tear down those walls, work through your wounds, repair damaged relationships, and learn to love like you've never been hurt.

When Franklin wakes up grumpy, his father discovers that Otter has moved away and that nothing seems right to Franklin without her, and after his father comforts him, Franklin

Read Book Franklin Says I Love You

decides to mail a special present to his friend. Original.

As every parent knows, there is nothing more stressful than being away from a child even if it's only for a few days. In this heartwarming book, Wendy Tugwood captures perfectly how the love between a mother and child copes with separation. When we're apart I miss you so I wish I didn't have to go I miss your face, your touch, your smell, Your silliness I know so well. I think of how you sing to me, "I love you too... I love you three!" On goes our love and counting game A game that always ends the same. Needing to express how much they love each other, parent and child play the old familiar counting game. The child says "I love you," the parent replies "I love you too," and the child, gleefully, replies "I love you three!" From there they continue counting until they reach "I love you ten." I Love You Too, I Love You Three will delight parents and children alike and children will not only learn their numbers, they will gain assurance that, no matter what happens, the parent's love, like the counting game, will never end.

Three Classic Franklin Stories Volume One

The Amazing Mr. Franklin

Easier Ways to Say I Love You

A Franklin Activity Book for kids to write, draw and record everything about themselves.

Three storybooks in one: Meet the lovable turtle who inspired the beloved Franklin and Friends TV show!

Franklin in the Dark In the Franklin Classic Storybook that started it all, poor little Franklin has one of the most common childhood afflictions—he is afraid of the dark. This is particularly difficult for Franklin as he happens to be a turtle, and the darkness he fears is, of course, inside his own shell. Bravely, with shell in tow, he sets forth to seek help and in the course of his travels discovers a bird who is afraid of heights, a polar bear who is afraid of the cold, and even a hydrophobic duck. In the end, Franklin discovers that everybody, even his own mother, is afraid of something, and his response to what he has learned is guaranteed to draw a smile. Franklin Says I Love You In this Franklin Classic Storybook, our hero is a very lucky turtle. He has the best friends, the best little sister, the best goldfish, and, of course, the best mother. But when he discovers that his

mother's birthday is coming up, he can't find the best present. After giving it some serious thought, Franklin decides to do everything for his mom. On the morning of her birthday he takes her breakfast in bed, makes a brooch, draws a picture, and cuts fresh flowers from the garden! And then Franklin gives his mom a great big hug and says, "I love you"—which is, of course, the best gift of all. Franklin and the Thunderstorm In this Franklin Classic Storybook, Franklin is afraid of thunderstorms. When a storm approaches while he is playing at Fox's house, a flash of lightning sends Franklin into his shell. He refuses to come out—even for snacks—until his friends make him laugh with their tall tales about what causes storms. And when Beaver explains what really causes thunder and lightning, Franklin begins to feel much safer.

For a school project, Franklin is asked to draw a picture of what he likes best about his neighborhood. In this Franklin TV Storybook, our young hero learns the value of an apology.

This Franklin Classic Storybook tells the story of how young Franklin copes when he misplaces his extra-special blanket.

The Truth About Men

Finders Keepers for Franklin

Franklin Goes to School

'I LOVE it. It is so touching and original and delightful. Katie's illustrations are a perfect match for the text, too' Jacqueline Wilson Franklin the dragon loves stories and loves reading stories to people too, but everyone is too scared to even look at him. One day he meets a girl named Luna who, far from being scared, is fascinated to meet Franklin, having recently read all about dragons in one of her books. They instantly become friends and talk non-stop about what they've read: books about roller skating, King Arthur, spiders and how to do kung fu. Together, they hatch a plan to share their love of books with others by opening a bookshop - a flying bookshop, that is - right on Franklin's back!

I Never Loved a Man the Way I Loved You: Aretha Franklin, Respect, and the Making of a Soul Music Masterpiece presents the remarkable story of how The Queen of Soul created what Rolling Stone called "the greatest soul album ever made." The album she recorded that earned soul legend Aretha Franklin her first major hits after eleven previous efforts, I Never Loved A Man the Way I Loved You was a pop and soul music milestone. Apart from its status as a #1 hit record, the album also had a much wider cultural impact. By early 1967, when the album was released, the Civil Rights Movement was well underway; Aretha's music gave it its theme song. And the #1

Read Book Franklin Says I Love You

Billboard pop chart single "Respect"—written by Otis Redding—not only won two Grammys for best R&B recording and best R&B solo female vocal performance, it became a passionate call to arms for the burgeoning feminist movement. Matt Dobkin has unearthed a wonderful story of the creation of an album that goes far beyond anything that's been written about Aretha before. With scores of interviews—including ones with Atlantic Records' famed producer Jerry Wexler, and the Muscle Shoals session musicians who recorded with Aretha—I Never Loved A Man the Way I Love You is the story of a great artistic achievement. It's also the story of a star who is both more complex and determined than her modern image as a diva indicates.

A delightful storybook in the series that inspired the Franklin and Friends TV show! In this Franklin Classic Storybook, our hero is a very lucky turtle. He has the best friends, the best little sister, the best goldfish, and, of course, the best mother. But when he discovers that his mother's birthday is coming up, he can't find the best present. After giving it some serious thought, Franklin decides to do everything for his mom. On the morning of her birthday he takes her breakfast in bed, makes a brooch, draws a picture, and cuts fresh flowers from the garden! And then Franklin gives his mom a great big hug and says, "I love you"—which is, of course, the best gift of all.

Self-love is not the same as being self-centered, egotistical, self-righteousness or narcissistic. What would it look like to have a generation of children that practiced self-love? They would be caring and loving towards others as well as themselves. Being able to "love others as ourselves" or as the Bible says "love your neighbor as yourself" comes from practicing self-love. They would appreciate their talents and be accepting of who they are. By being accepting and compassionate towards themselves, they can in turn be the same towards their friends, classmates, siblings, and parents. Their self-worth or high self-esteem becomes a by-product of their self-love. Everyone knows Benjamin Franklin was an important statesman, inventor, and a signer of the Declaration of Independence. But did you know he started the first public library in America? Ben Franklin was always a "bookish" boy. The first book he read was the Bible at age five, and then he read every printed word in his father's small home library. Ben wanted to read more, but books were expensive. He wanted to go to school and learn, but his family needed him to work. Despite this, Ben Franklin had lots of ideas about how to turn his love of reading and learning into something more. First he worked as a printer's apprentice, then he set up his own printing business. Later, he became the first bookseller in Philadelphia, started a newspaper, published Poor Richard's Almanac, and in 1731, with the help of his friends, organized the first subscription lending library, the Library Company. Ruth Ashby's fast-paced biography takes young readers through Franklin's life from his spirited, rebellious youth through his successful career as an inventor and politician and finally to the last years of his life, surrounded by his personal collection of books.

Franklin the turtle cannot decide what to donate to the annual Christmas toy drive, but with some inspiration from his Great Aunt Harriet, he finally comes up with the perfect gift.

Hollywood power couple DeVon Franklin and Meagan Good candidly share about their courtship and marriage, and the key to their success—waiting. President/CEO of Franklin Entertainment and former Sony Pictures executive DeVon Franklin and award-winning actress Meagan Good have learned sometimes all we can do is wait for “the one” to come into our lives. They spent years crossing paths but it wasn't until they were thrown together while working on the film *Jumping the Broom* that their storybook romance began. Faced with a new relationship and wanting to avoid potentially devastating relationship pitfalls, DeVon and Meagan chose to do something almost unheard of in today's society—abstain from sex until they were married. In *The Wait*, DeVon and Meagan share the life-changing message that waiting—rather than rushing a relationship—can help you find the person you're meant to be with. Filled with candid his-and-hers accounts of the most important moments of their relationship, and practical advice on how waiting for everything—from dating to sex—can transform relationships, allowing you to find a deep connection based on patience, trust, and faith.

In this Franklin Classic Storybook, Franklin celebrates Thanksgiving with friends and family!

I Love You Too, I Love You Three

At Fox's house, all of Franklin's friends share funny stories that help the little turtle overcome his fear of thunder and lightning.

*The New York Times bestselling author of *The Wait* and “spiritual teacher for our times” (Oprah Winfrey)*

frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But The Truth About Men isn't just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike.

Franklin wants to give his mother a special present for her birthday, and asks all of his friends for suggestions before deciding on the perfect gift.

Collects six stories about Franklin the turtle, including "Franklin and the Contest," where Franklin and his friends compete in a contest to see who can do something for five hours straight.

Franklin loves his toddler sister, Harriet, and enjoys spending time with her, but when Harriet claims Sam, his favorite stuffed animal, for herself, Franklin isn't sure how to handle it.

Franklin Says Sorry

Franklin's Valentines

A Book about Me, Written and Drawn by Me

4 Powerful Steps That Help Children Love Themselves

Frankly in Love

Franklin and the Tooth Fairy

The bestselling author returns with his biggest book yet in which he teaches us the secret to living a happier life: get rid of as many expectations as possible—of ourselves, our future, our relationships, our career and our family. Expectations are the secret software, running on the hardware of our minds, controlling our emotions, decisions, and actions. How? Think about your life. How much of the sadness you feel derives from what you think should have happened—than with what actually happened? Think about your career. How much of the discontent you feel comes from your belief about where you'd be at this point—than with the progress you've

actually made? Think about your relationships. How much of your dissatisfaction with friends, family, significant others, or spouses has to do with your unspoken presumptions—than with the people themselves? Having so many expectations is distorting your perspective, decreasing your happiness and disrupting your joy. You can live a life of true freedom, greater peace and less stress: release as many expectations as possible. This, DeVon Franklin argues, is the secret to a better life now. In a culture obsessed with more, Live Free is a bold counterintuitive book that can start a cultural revolution, Franklin contends. Everyone struggles with unnecessary expectations. But once you learn to let go of them, you can set the stage for the life you've always wanted.

When Franklin loses the valentines he has made for his friends, he is heartbroken and worries that they won't want to give him any cards, but Franklin soon learns that he has very good friends.

Franklin finds a camera in the park, and uses its film to take pictures of his friends, but then he thinks he should try to find its owner. Writer, printer, scientist, inventor, statesman, and youngest son in a family of seventeen children, Benjamin Franklin is considered one of our greatest Americans. Supported by colorful illustrations, Adler's biography brings to life one of America's founding fathers, Benjamin Franklin. Adler highlights Franklin's stunning accomplishments and his day-to-day life from his time as a young boy in Boston, Massachusetts through his role as the oldest delegate to the Constitutional Congress at the age of 81. A lifelong book lover and printer, Franklin popularized famous sayings like "haste makes waste" and "early to bed, early to rise, makes a man healthy, wealthy, and wise" in his annual Poor Richard's Almanack. An energetic inventor and public servant, he created the Franklin stove and bifocal glasses and established the first lending library and hospital in America. Young readers looking for insight into one of America's greatest founders, will find inspiration while gaining understanding and appreciation of US colonial history. For almost thirty years, David Adler's Picture Book Biography series has profiled famous people who changed the world. Colorful, kid-friendly illustrations combine with Adler's "expert mixtures of facts and personality" (Booklist) to introduce young readers to history through compelling biographies of presidents, heroes, inventors, explorers, and adventurers. These books are ideal for first and second graders interested in history, or who need reliable sources for school book reports.

Follows the experiences of Franklin the turtle, who loses a beloved blanket without which he has never been able to sleep.

Franklin's School Play

Live Free

A memoir on love, lust and attachment: one woman's remarkable and candid account of transforming a difficult and uncomfortable love triangle into an honest polyamorous relationship. Lucy Fry's story opens with the heady and impassioned affair she embarked on during her wife's pregnancy. It is a relationship that appears to be unstoppable, perhaps even addictive, despite guilt and self questioning. With intense and unflinching honesty, she takes us on a compelling journey from childhood trauma and addiction to sobriety, from infidelity to ethical non-monogamy, and—perhaps most intensely of all—from her fear of parenthood to her exquisite joy at having a son. L and B's love for their new baby, 'The Boy', changes the dynamic once again. They fumble through early parenthood, in a way that many will recognise, while at the same time trying to fathom and fashion a unique journey of their own.

With his new pencil case packed with a ruler, eraser and 12 colored pencils, Franklin is ready for his first day of school --- until it's time to board the bus. In this Franklin Classic Storybook, Franklin faces the excitement and fear of starting school.

Luna and her best friend, Franklin the dragon, love stories and want to visit all the places they've read about in books. But for all their reading they still don't know where dragons come from. And Franklin is now so old - 605 to be exact - he can't remember himself! They search high and low, but to no avail. Until one evening, Luna's tortoise, Neil Armstrong, notices something far away in the sky... The three friends set out on their biggest adventure yet - all the way to the moon - in the hope of reuniting Franklin with his long lost family.

Offers Franklin fans a colorful collection of four Franklin tales that revolve around his growing family, including Franklin Goes to the Hospital, Franklin's Baby Sister, Franklin and Harriet, and Franklin Says I Love You.
