Fun with GPS by Donald Cooke
Fun with GPS There seems to be a plethora of games and alternatives emerging to take advantage of the affordability of handheld GPS units. In a previous article on the GIS Lounge, the high-tech treasure hunting game of Geocaching was discussed. Still looking for ways to have fun with your GPS unit?

Fun with GPS - GIS Lounge
For the millions of GPS owners who love their GPS units but don't know all they can do with them, this fun guide shows that a GPS can do a lot more than just calculate a location. Dozens of illustrated examples show how a GPS can be attached to a multitude of devices, including dogsleds, race cars, hot-air balloons, windsurfers, pet animals, ski racers, hockey players, and sailboats.

Fun with GPS: Cooke, Donald: 9781589480872: Amazon.com: Books
More fun with GPS.. The NMEA sentences from a GPS work on degrees, minutes and fractions. As a format they are horrid - the sign is a separate character N/S, E/W, and the value is fixed length so DDMM.mmmm and DDDMM.mmmm format.

RevK®'s ramblings: More fun with GPS...
Summary: "Millions of people love their GPS (global positioning system) devices but don't know they can use this amazing technology to do more - much more - than simply calculate location. The dozens of illustrated examples in this lively guide show how GPS devices can be attached to just about anything (or anyone), including dogsleds, race cars, hot-air balloons, sailboats, windsurfers, ski racers, hockey players, even.

Fun with GPS (Book, 2005) [WorldCat.org]
However, there are many other games too which is providing the same fun and excitement that Pokémon Go did. The app stores of Google and Apple has many GPS location based that have even more features than many famous games. However, due to no or low marketing, these games are still not known by the people as they should be.
