This course was designed for those who wish to work as guides, outdoor educators or administrators of outdoor programs. This program -- which is partially classroom and partially field-based -- provides outdoor educators with the skills to find and keep employment, market themselves, use mountain technology to plan and execute expeditions, and to develop long term career plans.

Level 1: Instructional Course Our six-day 'Summits and Skills 4000m' course is our Level 1 introduction in summer alpine mountaineering. This course is the first in a series of instructional courses naturally leading into our Classic AlpinISM course where you develop those introductory skills and then into Technical AlpinISM where you then learn to become more independent as an alpine mountaineer.

~~Guided Alpine Mountaineering Courses, Ice Climbing, Ski...~~

The Alpine Guide Training Program consists of 157.5 full time hours completed over a 6 month period and introduces the fundamental skills to alpine mountaineering techniques and backcountry guiding. Students are able to strengthen their own alpine techniques and/or to prepare for a career as an ACMG/IFMGA guide assistant.

~~Alpine Guide Training | Whistler Adventure School~~

German Alpine Guides Course Owned, managed and operated by a team of vastly experienced IFMGA guides, ISM has a proud history spanning over 50 years. Our school has continuously developed and refined its program of courses in alpine mountaineering, rock and ice climbing, off-piste and ski touring. Based in the alpine village of Leysin our

I guide human-powered skiing, exclusively, all-year round, which adds up to about 125-days on snow (or half-a-million vertical feet) annually. I own a guide service in Chile – Chile Powder Adventures. I live in southwest Colorado but am only home about a quarter of the year – otherwise I am in Chile, Canada, Asia or Iceland.
