Give Me the Child is a page-turner straightway! It's told in the first person by Cat, who learns her husband has another child after a midnight knock on the door. The mother of the child has died and husband Tom must now raise his daughter,

Give Me the Child by Mel McGrath - Goodreads

Give Me the Child was a gripping read right from the first page, from the moment of Ruby's arrival you could sense that nothing would be the same again for all concerned. As a specialist working in the field of disturbed and dangerous children Cat is used to spotting triggers with this girl who is brought into her own home there are plenty of red flags that make her worry about the safety of those around her
