GONE GIRL - Daily Script

Gone Girl Synopsis: In Carthage, Mo., former New York-based writer Nick Dunne (Ben Affleck) and his glamorous wife Amy (Rosamund Pike) present a portrait of a blissful marriage to the public. However, when Amy goes missing on the couple's fifth wedding anniversary, Nick becomes the prime suspect in her disappearance.

Gone Girl Movie Script

The Gone Girl script begins with Nick talking about the theme of the film, which is how marriage builds uncertainty, paranoia, and doubt. Nick arrives at his bar to speak with his sister Margo about his five year anniversary with Amy. 2.

We are all working from the same dog-eared script. It's a very difficult era in which to be a person, just a real, actual person, instead of a collection of personality traits selected from an endless Automat of characters. And if all of us are play-acting, there can be no such thing as a soul mate, because we don't have genuine souls. It had gotten to the point where it seemed like nothing ...
