knowledge and confidence The mystery of the English language unfolds itself in every page of this wonderful treatise. It is a single volume book that combines source grammar and practice exercises while explaining the rules of grammar and tackling seemingly contradictory rules. Since the book is for students of an Intermediary level, concise explanations are provided. It focuses on topics like grammar contrasts (whether to use 'would' or 'used to' in past tense construct) and grammar patterns for example will be going among others. What will you Learn from THE BEST BOOK OF ENGLISH GRAMMAR ¶ The book also explores more than hundred units of grammar concepts and each unit is allocated two pages. While the left hand page is filled with grammar concepts with concise examples, the facing page comprises of practice exercises. ¶ This format has been followed to ensure that each point is brief but comprehensive. ¶ The book has been designed in such a way that it gives students freedom to choose what unit they want to practice. ¶ The order of the book does not need to be strictly followed as it is a revision guide and each topic is complete and self contained. Therefore, a student can just begin from the middle of the book, concentrate on the unit he or she finds difficulty in. If a student gets stuck at a certain exercise.
