A *Guide to the Ethereal Plane* by Bruce R. Cordell

Although A *Guide to the Ethereal Plane* is a Planescape book, it's not intrinsically tied to the cosmology as many other Planescape products are. Of course the book explains how the Ethereal Plane fits into that scheme, but it's much more about the practicalities of Ethereal gaming: Ethereal senses, combat, and the differences between the border and deep Ethereal are all explained in a method that allows for easy insertion of plot hooks.
