## Guidelines On Writing A Graduate

1. Don't write in the second person narrative. The second person voice is typically used in articles like this one, where the writer is intending to inform and instruct. According to WritingCommons.org,

Where To  
Download  
Guidelines On  
Writing A  
Graduate Project  
Thesis

“writing from the second person point of view can weaken the effectiveness of the writing in research and argument papers. Using second person can make the work sound as if the writer is giving directions or offering advice to his or her readers, rather than informing [them].”
