Women Composers of the 19th Century: Arranged for Guitar Quartet is a collection of music never before heard on guitar. It represents a

major addition to a growing revival of women's music, which had long been considered inferior to men's. Compositions by women have been seldom represented in the classical

guitar literature, and the romantic style of the middle to late 19th century is rarely heard from guitar quartets. Women Composers of the 19th Century: Arranged for Guitar Quartet brings
