AN Outline Drawing may be made in many different ways. It may be drawn with the brush, charcoal, crayon, pen and ink, or pencil. The drawing is commonly made upon paper, although it may be made on other substances. The question for the teacher is " Which is the best medium for beginners to use?

Freehand Drawing Techniques, free art book

Start drawing the pelvic area first. Draw a square with equal side lengths on the balance line just below the middle, where the pelvis is naturally positioned on the body. Size the square according to how wide you want your model to be. A thinner model would have a smaller square width than a plus-sized model.
