### **Handbook of Incineration Systems by Brunner, Calvin R ...**

ISBN: 0962177407 9780962177408: OCLC Number: 34912436: Notes: Revised edition of: Handbook of incineration systems. New York : McGraw-Hill, c1991. Description:

### **Incineration systems handbook (Book, 1996) [WorldCat.org]**

This comprehensive handbook presents the information needed not only to design state-of-the-art facilities for incinerating refuse, sludges, gases, radioactive, hazardous, biomedical and other industrial wastes, but also the guidelines to upgrade existing facilities to conform to regulatory constraints.

### **Handbook of Incineration Systems: Brunner, Calvin ...**

This handbook is written with the user in mind. An in-depth review of regulatory and technical requirements is presented with later sections regarding permitting and operation of incineration facilities. A comprehensive description of established and emerging incinerator technologies is included along with a number of alternatives.

Incinerators can be subdivided into grate firing systems, fluidized bed systems (stationary and circulating FB's) and fixed bed systems. In MSW incineration, grate firing are the common systems with a wide distribution and a long-term experience. Typical grate firing systems for refuse incineration are shown in Figure 1:
