Suicide Squad: Harley Quinn Marks the End of a DC Era *| CBR*

It's not easy to get Harley Quinn right. Much of the character's identity in television series, comics and video games, as well as in the 2016 Suicide Squad movie, revolved around her toxic beau, the Joker. Since she first appeared on Batman: The Animated Series in 1992, the psychiatrist-turned-Joker-sidekick has played a punching bag, a...

Harley Quinn - Wikipedia

The Suicide Squad writer/director James Gunn wants audiences to believe that Harley Quinn really could die in the upcoming DC movie. Gunn's Suicide Squad 2 is a part-sequel, part-reboot of 2016's Suicide Squad (though both are in a rather loose sense), and is shaping to live up to its name far more than the first movie did. The director has assembled an impressive array of talent,
