

## Harry Potter In German

*Berlin, 1929. Detective Inspector Rath, was a successful career officer in the Cologne Homicide Division before a shooting incident in which he inadvertently killed a man. He has been transferred to the Vice Squad in Berlin, a job he detests, even though he finds a new friend in his boss, Chief Inspector Wolter. There is seething unrest in the city and the Commissioner of Police has ordered the Vice Squad to ruthlessly enforce the ban on May Day demonstrations. The result is catastrophic with many dead and injured, and a state of emergency is declared in the Communist strongholds of the city.*

*'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true. Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring*

*power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.*

*The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.*

*The Myth of Race draws on scientific knowledge to debunk a series of myths that pass as facts, correct false assumptions, and clarify cultural misunderstandings about the highly charged topic of race. Praise for The Myth of Race comes from former U.S. Secretary of Defense William Cohen, and from anthropologist Audrey Smedley, author of Race in North America. Secretary Cohen said, "Writing with stunning clarity, Dr. Fish poses profound and perturbing questions about race...The Myth of Race is must reading." Here are some of the myths dealt with in the book:
\* The myth that humans are divided into Caucasoid, Negroid, and Mongoloid races
\* The myth that people cannot change their race
\* The myth of the tragic mulatto
\* The myth of biologically based differences in intelligence among the races
The Myth of Race demonstrates that the apparently straightforward concept of race is actually a confused mixture of two different concepts; and the confusion often leads to miscommunication. The first concept, biological race, simply doesn't exist in the human species. Instead, what exists is gradual variation in what people look like (e.g., skin color and facial features) and in their genes, as you travel around the planet--with more distant populations appearing more different than closer ones. If you travel in different directions, the populations look different in different ways. The second concept, social race, is a set of cultural categories for labeling people based on how their ancestors were classified, selected aspects of what they look like, or various combinations of both. These sets of categories vary widely from one culture to another.*

Enjoy the stories that have captured the imagination of millions worldwide. Having now become classics of our time, the Harry Potter ebooks never fail to bring comfort and escapism to readers of all ages. With its message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

This is the culmination of years of research into the lives of Scots who were guilty of dastardly deeds after leaving Scotland for America - in some cases they literally got away with murder. These emigrants were rogues, con artists, charlatans and reprobates of the worst order and their crimes are laid out in detail. For each character the author relates their early lives in Scotland, family backgrounds and why they left to make a fresh start in the New World. These include William Stewart, who butchered victims as they tried to flee a massacre perpetrated by members of a religious sect; conniving Charles Forbes, who fleeced brave World War One veterans to the tune of millions of dollars to line his own pockets; William Dunbar, a son of the Scottish Enlightenment who was only too happy to mete out brutal punishments, including hanging, to his negro slaves in the American south; or the hapless Adam Stephen, who led troops into a crucial Revolutionary War battle while drunk as a lord - and attacked men fighting on his own side. They came from all over Scotland and their foul deeds spanned a continent - colonial Virginia, the Mormon State of Utah, Chicago, Boston, the Texas hill country and the Pacific coast of California. However, history has been relatively kind to this band of ne'er-do-wells. Their crimes may have made headlines for a brief time after the event but the vast majority of these scoundrels are 'unknown' instead of being cloaked in notoriety for their crimes. Auld Scotia rightly basks in the glory of the well-known achievements of other emigrant Scots but there is another side to the coin, the exploits of these unsavoury individuals who made their way across the Atlantic, and this book brings them to a certain justice, albeit some time after the events. This is a rollicking good read, comprehensively researched by one of Scotland's most experienced and respected journalists. Everyone loves a good 'baddie' and this book is full of them.

Don't miss this guide to Hogwarts that includes a wand-shaped invisible ink pen with UV light, fold-out pages of the Marauder's Map, and a parchment to make your own magical map!

With this book you'll get: 30 easy German short stories 30 audio files from a native German speaker Their English translation after each paragraph If you want to improve your reading fluency as quickly and naturally as possible, then this book is ideal.*

*Is conversational German turning a little too tricky for you? Do you have no idea how to order a meal or book a room at a hotel? If your answer to any of the previous questions was "Yes", then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this - we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. "How do I get out of this situation?" many students ask themselves, to no avail, but no answer is forthcoming. Until now. We have compiled MORE THAN ONE HUNDRED conversational German stories for beginners along with their translations, allowing new German speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well. We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of German along the way, obviously), this book is for you! New Conversational German Dialogues works: Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. An German version of the conversation will take place first, followed by an English translation. This ensures that you fully understood just what it was that they were saying. Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational German book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational German Dialogues and start learning German right now!*

*The first book in Cornelia Funke's internationally celebrated trilogy - magical, thrilling and mesmerising. 'I don't think I've ever read anything that conveys so well the joys, terrors and pitfalls of reading'Diana Wynne Jones Meggie loves books. So does her father, Mo, a bookbinder, although he has never read aloud to her since her mother mysteriously disappeared. They live quietly until the night a stranger knocks at their door. He has come with a warning that forces Mo to reveal an extraordinary secret - a storytelling secret that will change their lives for ever. Also a major film starring Andy Serkis, Paul Bettany and Brendan Fraser!*

Have you been trying to learn German and simply can't find the way to expand your vocabulary? Do your teachers recommend you boring textbooks and complicated stories that you don't really understand? Are you looking for a way to learn the language quicker without taking shortcuts? If you answered "Yes!" to at least one of those previous questions, then this book is for you! We've compiled the 2000 Most Common Words in German, a list of terms that will expand your vocabulary to levels previously unseen. Did you know that -- according to an important study -- learning the top two thousand (2000) most frequently used words will enable you to understand up to 84% of all non-fiction and 86.1% of fiction literature and 92.7% of oral speech? Those are amazing stats, and this book will take you even further than those numbers! In this book: A detailed introduction with tips and tricks on how to improve your learning A list of 2000 of the most common words in German and their translations An example sentence for each word - in both German and English Finally, a conclusion to make sure you've learned and supply you with a final list of tips Don't look any further, we've got what you need right here! In fact, we're ready to turn you into a German speaker... are you ready to get involved in becoming one?

This book studies the contributions of Lorenzo Valla (1407-1457) and Rudolph Agricola (1444-1485) to rhetoric and dialectic. It analyses their influence on sixteenth century education, and on Erasmus, Vives, Melanchthon and Ramus. It provides an introduction to the renaissance use of language.

Improve your German skills and grow your vocabulary with these 10 entertaining German short stories! The best part of learning a new language is experiencing the culture and diving into activities that will enrich your life and vocabulary. The best way to learn a new language is by reading, and in this German book you will find yourself turning page after page to get to the end of each captivating story that will engage your mind and help you improve your German. In this book you will find: 10 captivating short stories that develop in circumstances such as traveling, personal relationships, among other topics that you will find easy to relate to. The stories are broken down into manageable chapters, so you always make progress with the story. Carefully written stories with you as an intermediate level reader in mind, using straightforward grammar and commonly used words so you can enjoy reading while learning new grammatical structures without being overwhelmed. Plenty of natural dialogues in each story that you would actually use in an everyday conversation, which will drastically improve your speaking and comprehension ability at the same time! At the end of each chapter there will be a comprehensive guide specially designed for intermediate level readers, it will take you through a summary of each story followed by a vocabulary of some of the words from the story to make sure that you understand the story fully. Chapter by chapter you will find yourself effortlessly reading each story.

Not struggling like in basic textbooks or boring reads. You will get involved by reading the dialogue of the characters by learning how to express yourself in different contexts and more importantly by learning new German words that will get you closer to your goal of becoming fully conversational! Enjoy the book!

Perspectives

A Nesthäkchen is the youngest child in a family. Else Ury's Nesthäkchen is a Berlin doctor's daughter, Annemarie Braun, a slim, golden blond, quintessential German girl. The ten book series follows Annemarie from infancy (Nesthäkchen and Her Dolls) to old age and grandchildren (Nesthäkchen with White Hair). This second volume of the series tells the story of Annemarie's first school year.

For the first time, the Sunday Times bestseller Austerity Britain is available in one complete paperback volume. Coursing through Austerity Britain is an astonishing variety of voices - vivid, unselfconscious, and unaware of what the future holds. A Chingford housewife endures the tribulations of rationing; a retired schoolteacher observes during a royal visit how well-fed the Queen looks; a pernickety civil servant in Bristol is oblivious to anyone's troubles but his own. An array of working-class witnesses describe how life in post-war Britain is, with little regard for liberal niceties or the feelings of their 'betters'. Many of these voices will stay with the reader in future volumes, jostling alongside well-known figures like John Arlott (here making his first radio broadcast, still in police uniform), Glenda Jackson (taking the 11+) and Doris Lessing, newly arrived from Africa, struck by the levelling poverty of postwar Britain. David Kynaston weaves a sophisticated narrative of how the victorious 1945 Labour government shaped the political, economic and social landscape for the next three decades. Deeply researched, often amusing and always intensely entertaining and readable, the first volume of David Kynaston's ambitious history offers an entirely fresh perspective on Britain during those six momentous years.

Fascism, Which First Triumphed In Italy And Later In Germany And Afterwards In Many Countries As A Counter Revolutionary Mass Movement Showed Its Brutal Nature In Form Of A Bloody Dictatorship. It Proved Itself The Most Reactionary Rule Of The Bourgeoisie And Most Detrimental To The Working Class Movement. Today When The Advanced Capitalist Countries Also Facing The Economic Crisis, They Continuously Place Their Burden On The Underdeveloped Countries. As A Result Working Class And Toiling Masses Of Both Advanced And Backward Countries Face Immense Oppression. Alongside That The Fascist Movement Raises Its Head Everywhere. In India We Have Already Felt The Sound Of The Boots Of Indian Nazis And Seen The Terror Of Saffron Flag Bearers.This Pamphlet Is A Part Of Trotsky S Writings On Fascism. Trotsky, Along With Lenin, Developed The Theory Of Permanent Revolution In 1905, Later Was Expelled From Soviet Russia During Stalinist Regime. He Fought With His Marxist Analysis Within The Third International, But Defeated To The Bureaucratic Apparatus Of The Party. After The Communist Parties Under Moscow S Direction Made A Decisive Right Turn To Collaborate With Bourgeois Democracy Against Fascism And Thus Subordinated The Proletarian Struggle, Trotsky Founded The Fourth International In 1938. Trotsky S Ideas Still Presents Itself Between Latin American And European Mass Movements And In Some Cases In Asia Also.This New Edition Features An Introduction Looking An Eye On Indian Context With An Objective Of Reorienting The Programmatic Debate Within The Indian Left

**NATIONAL BESTSELLER** • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Guitar Zero* At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

*"Sardonic narration will grab readers from the get-go, and puzzles laced throughout will intrigue those who share Ruby's passion for solving mysteries." -- Publishers Weekly (starred review) Everyone knows that Clarice Bean is exceptionordinarily keen on the Ruby Redfort books. In her own starring role, Ruby, a genius code-cracker and daring detective, and her sidekick butler, Hitch, work for a secret crime-busting organization called Spectrum. Ruby gets into lots of scrapes with evil villains, but she's always ice-cool in a crisis.*

*An inept wizard-in-training is the only one who can save his classmates from the terrible sorcery that threatens to devour their magical school Acclaimed master fantasist Jane Yolen imagines an academic world of wonders where paintings speak, walls move, monsters are made real, and absolutely anything can happen—as she introduces readers to a hero as hapless as the legendary Merlin is powerful. It was Henry’s dear ma who decided to send him off to Wizard’s Hall to study sorcery, despite the boy’s apparent lack of magical talent. He has barely stepped through the gates of the magnificent school when he is dubbed Thornmallow (“prickly on the outside, squishy within”). Still, regardless of his penchant for turning even the simplest spell into a disaster, Thornmallow’s teachers remain kind and patient, and he soon has a cadre of loyal, loving friends. But there is something that no one is telling the boy: As the 113th student to enroll in the wondrous academy, Thornmallow has an awesome and frightening duty to fulfill—and failure will mean the destruction of Wizard’s Hall and everyone within its walls.*

*Harry Potter is lucky to reach the age of thirteen, since he has survived the murderous attacks of the feared Dark Lord on more than one occasion. But his hopes for a quiet school term concentrating on Quidditch are dashed when a maniacal mass-murderer escapes from Azkaban, pursued by the soul-sucking Dementors who guard the prison. It's assumed that Hogwarts is the safest place for Harry to be. But is it a coincidence that he can feel eyes watching him in the dark, and should he be taking Professor Trelawney's ghoulish predictions seriously?These adult editions with glorious jacket art by Andrew Davidson are now available in hardback for the first time.*

*Harry Potter has never even heard of Hogwarts when the letters start dropping on the doormat at number four, Privet Drive. Addressed in green ink on yellowish parchment with a purple seal, they are swiftly confiscated by his grisly aunt and uncle. Then, on Harry's eleventh birthday, a great beetle-eyed giant of a man called Rubeus Hagrid bursts in with some astonishing news: Harry Potter is a wizard, and he has a place at Hogwarts School of Witchcraft and Wizardry. An incredible adventure is about to begin!*

Written with the non-specialist in mind, its user-friendly style and layout, delightful original passages, and exotic scripts, will continue to fascinate the reader. This new edition has been thoroughly revised to include more languages, more countries, and up-to-date data on populations. Features include:
\*information on nearly 600 languages
\*individual descriptions of 200 languages, with sample passages and English translations
\*concise notes on where each language is spoken, its history, alphabet and pronunciation
\*coverage of every country in the world, its main language and speaker numbers
\*an introduction to language families

Do you know what the hardest thing for a Dutch learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students. Books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book, we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the beautiful Dutch tongue. How Dutch Short Stories for Beginners works: - Each story is exciting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Dutch and in English of what you just read, both to review the lesson and for you to see if you understood

what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Dutch, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Dutch Short Stories for Beginners and start learning Dutch right now!

L'Adieu a L'adolescence, Poeme ...Becoming Fluent in German150 Short Stories

Born in Moscow, Wladimir Kaminer emigrated to Berlin in the early '90s when he was 22. Russian Disco is a series of short and comic autobiographical vignettes about life among the é migr é s in the explosive and extraordinary multi-cultural atmosphere of '90s Berlin. It's an exotic, vodka-fuelled millennial Goodbye to Berlin. The stories show a wonderful, innocent, deadpan economy of style reminiscent of the great humorists. [Several of his European editors make a comparison with current bestseller David Sedaris.] Kaminer manages to say a great deal without seeming to say much at all. He speaks about the offbeat personal events of his own life but captures something universal about our disjointed times.

The Ivory Tower and Harry Potter

Valla and Agricola in the Traditions of Rhetoric and Dialectic

First English edition of the German Children ' s Classic Translated and annotated by Steven Lehrer

Last Train to Hilversum

Intermediate German Short Stories

A beautiful boxed set containing all seven Harry Potter novels in paperback. These new editions of the classic and internationally bestselling, multi-award-winning series feature instantly pick-up-able new jackets by

Jonny Duddle, with huge child appeal, to bring Harry Potter to the next generation of readers. It's time to PASS THE MAGIC ON .

"This book presents a visual chronicle of the work by the artists and filmmakers of all eight Harry Potter films who made the magic real."--Front jacket flap.

Now available in paper, The Ivory Tower and Harry Potter is the first book-length analysis of J. K. Rowling's work from a broad range of perspectives within literature, folklore, psychology, sociology, and popular culture. A significant portion of the book explores the Harry Potter series' literary ancestors, including magic and fantasy works by Ursula K. LeGuin, Monica Furlong, Jill Murphy, and others, as well as previous works about the British boarding school experience. Other chapters explore the moral and ethical dimensions of Harry's world, including objections to the series raised within some religious circles. In her new epilogue, Lana A.

Whited brings this volume up to date by covering Rowling's latest book, Harry Potter and the Order of the Phoenix.

Despite the all-pervading influence of television ninety per cent of people in Britain still listen to the radio, clocking up over a billion hours of listening between us every week. It's a background to all our lives: we wake up to our clock radios, we have the radio on in the kitchen as we make the tea, it's on at our workplaces and in our cars. From Listen With Mother to the illicit thrill of tuning into pirate stations like Radio Caroline: from receiving a musical education from John Peel or having our imagination unlocked by Douglas Adams' The Hitchhiker's Guide to the Galaxy; from school-free summers played out against a soundtrack of Radio One and Test Match Special to more grown-up soundtracks of the Today programme on Radio 4 and the solemn, rhythmic intonation of the shipping forecast – in many ways, our lives can be measured in kilohertz. Yet radio is changing because the way we listen to the radio is changing. Last year the number of digital listeners at home exceeded the number of analogue listeners for the first time, meaning the pop and crackle and the age of stumbling upon something by chance is coming to an end. There will soon be no dial to turn, no in-between spaces on the waveband for washes of static, mysterious beeps and faint, distant voices. The mystery will be gone: we'll always know exactly what it is we're listening to, whether it's via scrolling LCD on our digital radios, the box at the bottom of our TV screen or because we've gone in search of a particular streaming station. And so, as the world of analogue listening fades, Charlie Connelly takes stock of the history of radio and its place in our lives as one of the very few genuinely shared national experiences. He explores its geniuses, crackpots and charlatans who got us to where we are today, and remembers its voices, personalities and programmes that helped to form who we are as individuals and as a nation. He visits the key radio locations from history, and looks at its vital role over the past century on both national and local levels. Part nostalgic eulogy, part social history, part travelogue, Last Train To Hilversum is Connelly's love letter to radio, exploring our relationship with the medium from its earliest days to the present in an attempt to recreate and revisit the world he entered on his childhood evenings on the dial as he set out on the radio journey of a lifetime.

Renaissance Argument

Scots Who Left a Stain on American History

Harry Potter: The Complete Collection (1-7)

**Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural german conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a "struggle". Moving to Germany just to learn German is not a solution . That's why my book "brings" Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually "live" into German conversations. When you're reading a story, you feel like you're there. The same concept applies to learning German with stories. About my learning German with stories book : It contains 150 short stories about everyday situations Every story is followed by questions and key vocabulary The more you read, the easier your brain will automatically get used to the German language ( isn't that easily beautiful? ) It includes more than 900 digital flashcards for those not able to understand the book completely from the beginning It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning ( heavy repetition = higher retention rate ) The Benefits of using my book: Easily learn German with stories Feel at ease when reading & learning with the flow of the stories No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Once you learn, you NEVER forget Learn German with my stories ( the easy way )**

**Judy I. Lin's sweeping debut A Magic Steeped in Poison, first in a duology, is sure to enchant fans of Adrienne Young and Leigh Bardugo. I used to look at my hands with pride. Now all I can think is, "These are the hands that buried my mother." For Ning, the only thing worse than losing her mother is knowing that it's her own fault. She was the one who unknowingly brewed the poison tea that killed her—the poison tea that now threatens to also take her sister, Shu. When Ning hears of a competition to find the kingdom's greatest shennong-shi—masters of the ancient and magical art of tea-making—she travels to the imperial city to compete. The winner will receive a favor from the princess, which may be Ning's only chance to save her sister's life. But between the backstabbing competitors, bloody court politics, and a mysterious (and handsome) boy with a shocking secret, Ning might actually be the one in more danger. Praise for A Magic Steeped in Poison: An ABA Indies Introduce Selection An ABA Indies Next Pick "Beautifully written, from the setting to the magic system, A Magic Steeped in Poison is sure to enchant both fantasy lovers and cdrama aficionados. I'll be inhaling whatever Judy I. Lin brews up next." —Joan He, New York Times-bestselling author of The Ones We're Meant to Find "A breathtaking tale with a stunning magic system rooted deep in Chinese mythology and tea-making traditions. Lin's originality truly blew my mind. Love and magic overflows past the brim in this work of beauty." —Xiran Jay Zhao, New York Times-bestselling author of Iron Widow "Ning's unforgettable voice and the lush, atmospheric settings will enchant readers in this high-stakes story of deadly magic. ... Lin blends Chinese folklore with a thrilling mystery. It's the perfect recipe for a page-turner." —Booklist, starred review**

**It is Harry s fourth year at Hogwarts and there are spells to be learnt, potions to be brewed and Divination lessons to be attended. Harry is expecting these: however, other quite unexpected events are already on the march**
