The title on the cover of this book is simply 'Hiding in Plain Sight' - which singularly provides the reader with no indication of what it's about. The title page, however, with the subtitle 'Exploring Scotland's Ill Health,' does point us in the right direction, even if it does nothing to prepare us for the shocking impact of what is to follow. CCWB stands for the Centre for Confidence and Well-being which Carol Craig set up after the positive reception to her first book ...

However, there are cases where it helps to go unnoticed. The trick to hiding in plain sight isn't to try to be completely invisible, but inconspicuous. If you can pass yourself off as completely average in a crowd, it will help you blend in as well as any camouflage. Hiding in plain sight involves looking boring and acting casual.
