***IBM Cognos 10 Business Insight Advanced: 5 Key Features ...***

***by Ironside Group. Back in October when IBM Cognos 10 was first released, I initially touted Business Insight Advanced (BIA) as the single-most important enhancement over IBM Cognos 8. After a few months of hands-on usage, I am sticking to my initial assessment. Here are five key features that I've identified as having the greatest potential for a positive impact on practical business intelligence within most organizations.***
