

Read Book If I Should Speak

If I Should Speak

An innovator in contemporary thought on economic and political development looks here at decline rather than growth. Albert O. Hirschman makes a basic distinction

Page 1/175

Read Book If I Should Speak

between alternative ways of reacting to deterioration in business firms and, in general, to dissatisfaction with organizations: one, "exit," is for the member to quit the organization or for the customer to switch to

Read Book If I Should Speak

the competing product, and the other, "voice," is for members or customers to agitate and exert influence for change "from within."

The efficiency of the competitive mechanism, with its total reliance on exit,

Read Book If I Should Speak

is questioned for certain important situations. As exit often undercuts voice while being unable to counteract decline, loyalty is seen in the function of retarding exit and of permitting voice to play its

Read Book If I Should Speak

proper role. The interplay of the three concepts turns out to illuminate a wide range of economic, social, and political phenomena. As the author states in the preface, "having found my own unifying way of looking

presentations, but in meetings, pitches, networking events, jobs interviews, and more. This uniquely effective and personal approach has worked for hundreds of the author's private public speaking clients, and it will work for you!

Read Book If I Should Speak

The specter of a prison punishment for even slight political offenses became an element of daily life in post-war Poland. In interwar Poland, imprisonment, especially for communists, had served as a rite of passage, endurance training, and a

Read Book If I Should Speak

university teaching life skills. The post-war order brought a dramatic shift, as communists all over the region, often veterans of interwar prisons or war-time concentration camps, used incarceration sites as a way to mold the future. The prison

Read Book If I Should Speak

system functioned as a tool to subjugate society and silence or destroy enemies- anti-communists as well as committed communists. Arrests, trials, and prison sentences directly and indirectly affected tens of thousands of people and instilled

Read Book If I Should Speak

fear and insecurity in many more. Many of those imprisoned as enemies of the new post-war Communist authorities were women. Some were jailed for their alleged collaboration with the Nazi resistance during the war, some for

Read Book If I Should Speak

post-war activities in various civil and quasi-military groups, still others on the basis of their relationships with those already imprisoned. For some, there was evidence of their anti-state activities, while for many others the

Read Book If I Should Speak

accusations were contrived. In this work, Anna Mller unearths the prison lives of these women through their autobiographical writings, interrogation protocols, cell spy reports, and original interviews with former political prisoners. Her

Read Book If I Should Speak

interviewees narrated their own versions of what happened during their arrests, interrogations, and confinement. They also explored their emotions: surprise, confusion, fear, and anger. Although their imprisonments interrupted their

Read Book If I Should Speak

lives, separated them from families, and caused much suffering, the women reflected on how they refashioned themselves during their interrogations; applied their senses to orient themselves in the prison space; and used their bodies to gain

Read Book If I Should Speak

control over themselves and as a means to exercise pressure on the authorities. The creativity that they displayed individually and collectively in their cells helped them rebuild a semblance of normal life inside prison walls despite the

Read Book If I Should Speak

abuses inflicted by interrogation officers and guards. By examining women's lives in the cells of Communist-era prisons, *If the Walls Could Speak* contributes to our understanding of coercion and resistance under totalitarian regimes.
