

## Julius Caesar Activities Act

Literature and Language Teaching is for teachers and trainers who want to incorporate literature into the language classroom. It is suitable for teacher trainers, teacher development groups or teachers working on their own. This book contains tasks and activities which encourage reflection on some of the issues and debates involved in using literature in the language classroom and explore different approaches to using literature with teenage and adult learners at all levels. It suggests criteria for selecting and evaluating materials for classroom use and identifies some of the distinctive features of novels, short stories, poems and plays so that these can be successfully exploited in the classroom. A wide range of practical ideas and activities for developing materials is provided. Tasks also encourage the observation and assessment of lessons using literacy texts, and draw on English language material by a variety of authors from all over the world.

This "Tragedy of Julius Caesar" unit plan contains a variety of teaching materials that cater to all learning styles. Inside you'll find Daily Lesson Plans, Projects and Student Activities, A Final Test with Multiple Choice Questions, Short Answer Questions, Essay Questions, Quizzes/Homework Assignments, and more. The lessons and activities will help students gain a thorough understanding of the text, while the tests and projects will help you evaluate how well the students have grasped the material. Answer Keys are provided when needed. Also listed are the Common Core Anchor Standards that are specifically connected to the unit plan. As you may find the lessons touch upon many more strands of the Common Core, the Anchor Standards listed are the ones directly addressed in the unit plan.

When a certain Mark Anthony of the famous Italian family of the Roveres arrived in Agen, in SW France, in the second decade of the 16th century, he brought along with him his personal physician, Master Julius Caesar, who had been under the protection of his family for some time. This latter was a majestic-looking man of some 40 years of age who was to become renowned as one of the greatest scholars of the Renaissance. Indeed, so great became his fame in all branches of learning that it was for long considered that he was the greatest scholar who had ever dwelt in France. This study provides all the important things known about the life of Julius Caesar Scaliger (1484-1558).

***The plan and purpose of this book is to provide educationally sound theories and creative activities in the teaching of English. This Third Edition retains many of the activities that were included in previous editions but also offers much new material based on the most current research and practice in English education. The book provides, in great detail, proven and tested measures for teachers to use to be successful in their instructional efforts. Major topics well described include creating an effective classroom climate, preparation for group interaction, teaching oral English, the teaching of writing, teaching literature, reading in the English classroom, teaching the English language, developing thinking skills, and creating the English curriculum. In this new edition, the chapters on reading and teaching literature have been completely rewritten and include sections on literature circles and Socratic seminars. In addition, the chapter on writing updates the research on assessment and the use of portfolios and also includes practice and theory concerning the use of writing workshops. All of the 'Additional Reading' sections at the end of each chapter have been completely updated with the most current resources on theory, research, and practice. The book's easy-to-read style with the large number of teaching strategies, programs, and effective classroom activities that have been proven successful make this an essential resource for the English teacher.***

***This book is an attempt to show something of the ways in which the Bible and the Christian tradition intersect the language of Shakespeare. Word and Rite also focuses on the manner in which rites are efforts to illuminate mysteries: the mystery of marriage, the mystery of baptism, the mystery of confession, the mystery of the Eucharist, the mystery of funerals, and even the mystery of words, in their relation to the Word. Holy objects such as the Fountain of blood may also be considered. Maimed rites frequently occur in Shakespeare, but through ceremony there are attempts to turn mayhem into mystery--especially in comedies. In the words of the author of the Foreword to this book:" In Shakespeare word and rite are as inseparable as word and sacrament in worship...so outward signs of inward truth are linked with words of these plays and with Scripture and with the Word incarnate." This book also explores the ramifications of observing this insight.***

***Provides just the right balance for the study of language, imagery and theatricality, and of character and context, enabling students to gain a clear understanding of the text. Contains introductory essays focusing on topics related to social, cultural and historical context. Introductions to each scene pointing out a central feature and ensuring that students understand the plot. Extensive notes and well-placed illustrations provide clear explanations of words and phrases, and a general overview of the meaning for easy reference. Accompanying support packs provide clearly structured and easily manageable resource materials for Assessment Objective-driven coursework assignments.***

***Teaching English in Secondary Schools***

*Teaching Shakespeare in Primary Schools* offers guidance and practical ideas for teaching Shakespeare's plays across Key Stage 1 and 2. It demonstrates how the plays can engage young readers in exciting, immersive and fun literacy lessons and illustrates how the powerful themes, iconic characters and rich language remain relevant today. Part 1 explores the place of classic texts in modern classrooms – how teachers can invite children to make meaning from Shakespeare's words – and considers key issues such as gender and race, and embraces modern technology and digital storytelling. Part 2 presents Shakespeare's plays: *The Tempest*, *A Midsummer Night's Dream*, *Romeo and Juliet*, *Julius Caesar*, *Macbeth* and *The Winter's Tale*. For each play, there is a suggested sequence of activities that will guide teachers through the process of inspiring children, incubating ideas and making connections all before responding to it through drama, writing and other subjects. You don't need to be an actor, a scholar or even an extrovert to get the best out of Shakespeare! Written by experienced teachers, this book is an essential resource for teachers of all levels of experience who want to teach creative, engaging and memorable lessons.

The figure of Julius Caesar has loomed large in the United States since its very beginning, admired and evoked as a gateway to knowledge of politics, war, and even national life. In this lively and perceptive book, the first to examine Caesar's place in modern American culture, Maria Wyke investigates how his use has intensified in periods of political crisis, when the occurrence of assassination, war, dictatorship, totalitarianism or empire appears to give him fresh relevance. Her fascinating discussion shows how--from the Latin classroom to the Shakespearean stage, from cinema, television and the comic book to the internet--Caesar is mobilized in the U.S. as a resource for acculturation into the American present, as a prediction of America's future, or as a mode of commercial profit and great entertainment.

*I, Cinna (The Poet)* has one short scene in Shakespeare's *Julius Caesar* where he is mistaken for someone else and killed by the mob. Now, in a new play by Tim Crouch, this unlucky man is given a chance to tell his story. Written for ages 11+, *I, Cinna (The Poet)* is a fusion of theatre, multimedia and creative writing tasks. *Cinna* asks his young audience to consider the relationship between words and actions, art and politics, self and society. During the performance he asks us to write alongside him: a small poem on a big theme. Originally commissioned for the World Shakespeare Festival which is produced by the Royal Shakespeare Company for London 2012 Festival. Shortlisted for the Writers' Guild Award for Theatre Play for Young People 2013.

*Julius Caesar*, the Shakespearean drama that is in the curriculum of virtually every high school in the country, is the latest offering in Barron's "Picture This! Shakespeare" series. This manual supplements Barron's "Picture This: Julius Caesar," a book presented in graphic novel style for students' use. The manual offers teachers suggestions for classroom discussions, quizzes, and activities related to the play.

This series features classic Shakespeare retold with graphic color illustrations. Educators using the Dale-Chall vocabulary system adapted each title. Each 64-page, softcover book retains key phrases and quotations from the original play. Research shows that the more students read, the better their vocabulary, their ability to read, and their knowledge of the world. A triumphant Caesar enters Rome after defeating the sons of his old enemy, Pompey. Jealousy and fear over Caesar's reforms reveal a brewing conspiracy to assassinate him. As the plot thickens, Caesar's wife is plagued by terrible nightmares and begs him not to go to the Capitol. But Caesar shrugs off her fears and is accompanied to the Senate by the conspirators thus sealing his fate. Caesar's loyal friends rally to avenge his death and preserve his legacy.

35 reproducible exercises in each guide reinforce basic reading and comprehension skills as they teach higher order critical thinking skills and literary appreciation. Teaching suggestions, background notes, act-by-act summaries, and answer keys included.

An Introduction to Ancient Didactic Poetry

The Primes

The Orations of Marcus Tullius Cicero

Harriet's Daughter

**Discover fundamental principles of high-stakes change and organizational transformation** The "primes" are universal and unavoidable patterns of group behavior that emerge whenever people attempt to transform systems or collaborate to solve complex problems. Every change agent has felt their effect, but few can recognize, anticipate, and manage them.

**Unacknowledged, the primes can put any leadership agenda at risk. Once mastered, the primes become a force that drives intended outcomes.** The Primes is a field manual for anyone ready to step up to serious challenges, predict and manage inevitable problems, create a brighter future, and produce extraordinary results. An essential guide for 21st century problem solvers and change agents, *The Primes* unveils 46 universal secrets of how to: Tackle complex problems successfully and

deliver extraordinary results on time Forge lasting consensus among competing interests and keep teams focused and productive Recognize and eliminate the most destructive forces in an organization Establish cultures of integrity The Primes gives leaders the edge they need to succeed. Once the primes are revealed, you'll see them everywhere!

Many men killed Julius Caesar. Only one man was determined to kill the killers. From the spring of 44 BC through one of the most dramatic and influential periods in history, Caesar's adopted son, Octavian, the future Emperor Augustus, exacted vengeance on the assassins of the Ides of March, not only on Brutus and Cassius, immortalized by Shakespeare, but all the others too, each with his own individual story. The last assassin left alive was one of the lesser-known: Cassius Parmensis was a poet and sailor who chose every side in the dying Republic's civil wars except the winning one, a playwright whose work was said to have been stolen and published by the man sent to kill him. Parmensis was in the back row of the plotters, many of them Caesar's friends, who killed for reasons of the highest political principles and lowest personal piques. For fourteen years he was the most successful at evading his hunters but has been barely a historical foot note--until now. *The Last Assassin* dazzlingly charts an epic turn of history through the eyes of an unheralded man. It is a history of a hunt that an emperor wanted to hide, of torture and terror, politics and poetry, of ideas and their consequences, a gripping story of fear, revenge, and survival.

A leading biblical scholar offers grounding in the interpretation of Acts that draws heavily on ancient backgrounds and attends to the theological nature of the texts.

*Didactic Epic was enormously popular in the ancient world. It was used to teach Greeks and Romans technical and scientific subjects, but in verse. Epic Lessons shows how this scientific poetry was intended not just to instruct but also to entertain. Praise for its predecessor, Reading Epic 'Toohey's erudition makes the complexities and the strangeness of these ancient poems appear as clear as daylight and his enthusiasm renders them as attractive as the latest blockbuster.' - JACT Review*

*Great tragedy based on Plutarch's account of the lives of Brutus, Julius Caesar, and Mark Antony. Evil plotting, ringing oratory, high tragedy with Shakespeare's incomparable insight, dramatic power. Explanatory footnotes.*

*The Hunt for the Killers of Julius Caesar*

*Julius Caesar Read-Along*

*Teacher's Guide*

*How Any Group Can Solve Any Problem*

*(3rd Ed.)*

This book presents 30 brief practical teaching ideas for writing and English instruction in secondary classrooms. The first chapter presents various strategies for helping students learn to write well: students compile their own examples of effective writing; they turn interviews into gift books; they record their own activities for a whole day to help them develop an eye for detail; and they practice supportive peer-feedback techniques. Other activities in the first chapter focus on close observation, word play, and poetry writing. The second chapter presents activities intended to foster appreciation and understanding of literary works--among the elements of these strategies are a dialectical journal; a list of questions to help students analyze characters; guest poets; a discussion of banned books; an examination of conflict between friends; and an in-depth poetry project for seniors. Freeze frames, a reading quilt, and riddles that require research are a few of the activities in the third chapter entitled "Explorations." Other activities in the chapter vary in focus, but they have several things in common: they inspire teachers; they motivate students; and they offer opportunities for genuine learning in the classroom. (RS)

"Grammar is the tool that makes reading, writing, and day-to-day conversation possible. In [this book], English teacher and educational blogger Lauralee Moss delivers grammar lessons and exercises specifically designed to reinforce what sixth-, seventh-, and eighth-graders are learning in the classroom. From identifying basic parts of speech, to understanding sentence structure, to using punctuation correctly, this book will help kids master the rules of grammar so they can become confident writers and speakers." -- Back cover.

The Teaching Success Guide for the Advanced Placement Classroom series helps teachers motivate students above and beyond the norm by introducing investigative, hands-on activities, including debates, role-plays, experiments, projects, and more, all based on Advanced Placement and college-level standards for learning. Julius Caesar allows teachers to take a fresh approach to one of Shakespeare's most famous plays by moving beyond basic history and memorization of quotes. Students will engage in performance approaches to the text, recreate the story's events in a news show format, participate in collaborative literature workshop activities, and debate whether Caesar could have prevented his assassination. The author also provides easy-to-use discussions of Shakespeare's language and how Julius Caesar can be studied from different critical perspectives. Grades 7-12
