### Pre-intermediate | Keynote

Keynote engages university students with the inspired ideas of respected professionals giving TED talks, and through thought-provoking texts and infographics. The course develops the skills and literacies needed to navigate the information-rich world of global English and gives students the courage to find their own voice in English, inspiring real, meaningful communication.

Welcome | Keynote

Keynote sets the stage for an impressive presentation. A simple, intuitive interface puts important tools front and center, so everyone on your team can easily add beautiful charts, edit photos, and incorporate cinematic effects. And Rehearse Mode lets you practice on the go, with the current or next slide, notes, and clock — all in one view.
