Kissed By An Angel - Movie Cast.

Kissed by an Angel is an  
interesting twist on angels and  
guardians, and I think I would  
have liked it more had I read it as  
three separate volumes, which is  
how it was first released back in  
1995. Chandler was way ahead of  
her time with this novel, and  
tapped into the world of  
supernatural romance long before  
Stephenie Meyer dreamt up a  
whole new genre.
