His life seems to have been dominated by an obsession with moral and philosophical perfection, summed up in the subtitle of Ray Monk's excellent biography Wittgenstein: The Duty of Genius. His concern with moral perfection led Wittgenstein at one point to insist on confessing to several people various sins, including that of allowing others to underestimate the extent of his 'Jewishness'.

Ray Monk - Wikipedia

The Duty of Genius is a book about a tormented man who tried to change the world he lived in, the Austrian philosopher Ludwig Wittgenstein, a philosopher's philosopher. His goals were breath taking: nothing less than to discuss the philosophical basis of the Mathematics, something of the utmost importance for men like Bertrand Russel, G.E.Moore and Norton Whitehead, the most important philosophers at the time.
