Mastery Books are a type of consumable item in game. For nearly all classes, many of their 4th Job Skills can initially only be raised up to Level 10 with Skill Points. These Mastery Books allow you to increase the max trainable level of a skill from 10 to 20, and then from 20 to 30 (if the skill's max level allows for it to go that high). Note that some skills have an upper limit of Level 10 ...

The Maple Guide is a system that serves to recommend training areas, as well as bosses, for players within a certain level range. You can use this system to teleport to areas near your level, which can be used to access certain other content, such as bosses. You can gain Content Map Stamps for each area above Level 30, which will allow you to teleport to that area whenever you want, even when you are out of that area's level range.
