

Menendez Brothers Crime Scene Photos

Presents summaries of some of the most significant and celebrated trials in American history, each with the names of key players, the charges, location, a narrative of circumstances leading up to the trial, the trial itself, the verdict and sentence, and a discussion of the impact chronologically from 1950 through 2001.

CrimeComputer Viruses to Twin TowersUniversal-Publishers

Sixty years ago, the discovery of bodies at 10 Rillington Place in Notting Hill, London, led to one of the most sensational, shocking and controversial serial murder cases in British criminal history the case of John Christie. Much has been written about the Christie killings and the executed for murders Christie later confessed to the story still provokes strong feeling and speculation. However, most the books on the case have been compiled without the benefit of all the sources that are open to researchers, and they tend to focus on Evans in an attempt to simply repeat what has been said before. Therefore, a painstaking, scholarly reassessment of the evidence - and of Christies life - is overdue, and that is what Jonathan Oates provides in this gripping biography of a serial killer.

An account of how a police detective lead the task force that exposed the facts behind the deaths of rappers Biggie Smalls and Tupac Shakur.

“Crackling dialogue, gritty characters, a fierce, unblinking stare at acts of brutality.”—Anne Tyler, The New York Times Book Review. A brilliantly panoramic novel spanning a quarter-century of American life, John Gregory Dunne’s The Red White and Blue tells the story of California’s high-profile Broderick family, a tale beginning in the tumult of the 1960s. The clan includes a billionaire San Francisco patriarch, his sons the celebrity priest and Hollywood screenwriter, and his daughter, wife to the brother of the American president. Rounding out the front-line cast is Leah Kaye, a politically radical lawyer once married to the screenwriter Jack Broderick, an ex-newspaperman and the book’s narrator. The influence of wealth in American politics. A California agricultural strike. A South American election. The black-power movement. Hollywood movers and shakers. All of this and more is deftly navigated as Dunne sets his main characters and big-canvas forces in motion. Jack himself is pulled into the swirl, his ironic detachment proving insufficient bulwark against dramas that grow darker, more dangerous and more personal as Dunne’s epic unfolds. A robust, bitterly comic portrait of America in the Viet Nam era and after, with a storyline headed towards tragedy, The Red White and Blue – appearing here in digital format for the first time – is John Gregory Dunne at his most ambitious and far-seeing, his gaze sweeping from coast to coast and from decade to American decade. An authorized tie-in to the popular TV show Criminal Minds Most episodes of Criminal Minds feature a briefing where the show’s team of FBI profilers defines the type of criminal they’re looking for and provides some real-life examples. This book tells the story of those examples. Published to coincide with the release of season five of Criminal Minds on DVD Organized by type of criminal, including solo serial killers, sexual predators, and killers with famous victims; and tells the stories of many famous murderers, including David Berkowitz, Jeffrey Dahmer, Mark David Chapman, and the Zodiac killer Features photographs from the show Criminal Minds: Sociopaths, Serial Killers, and Other Deviants is a fascinating, terrifying book about the criminal minds who live among us.

They were golden boys who killed with sudden savagery. The trial revealed a dark drama too evil to believe. Handsome, rich, bronzed champion athletes, Erik and Lyle Menendez were the stunning symbols of the California dream. The sons of a high-powered Hollywood executive and his beautiful wife, they lived in a pampered world of Beverly Hills mansions, swimming pools, and private tennis coaches. But the dream became a nightmare when police found the butchered bodies of the boys’ parents, Jose and Kitty, in the family room of their five-million dollar mansion. Only days after the couple was laid to rest, the brothers began an appalling spending spree, buying Rolex watches, designer clothes and a new Porsche. Seven months later, all of Hollywood was stunned when the 18- and 21-year-old brothers were arrested for the horrendous killings. In wrenching testimony, Lyle & Erik accused their father of sexually brutalizing them since they were children—claiming his sadistic acts of perversion and cruel violence drove them to their unspeakable crime. Bestselling author Don Davis takes you inside one of the most riveting cases in California’s history, laying to bare the shattering secrets of a tormented family.

When a Child Kills

Diana: Case Solved

The Private Diary of Lyle Menendez

An exploration of the world of parricide presents the stories of eight children accused of killing their parents, discussing the facts in their cases and the outcome of their trials. Reprint. AB.

Behind the Murder Curtain is the true story of Bruce Sackman, Special Agent in Charge of the Department of Veterans Affairs Office of Inspector General. Sackman’s main responsibilities had been investigating white-collar crimes such as embezzlement when he is drawn into the macabre world of doctors and nurses who murder their patients. Sackman evolves from an investigator of routine cases to the world’s leading expert on Medical Serial Killers—MSKs—doctors and nurses who ply their evil trade hidden behind the privacy curtain at a patient’s bedside. Behind the Murder Curtain tells how this dedicated investigator brought down four MSKs in Veterans Hospitals while developing the RED FLAGS PROTOCOL, which is now taught to investigators and forensic nurses throughout the world as a tool for stopping an MSK.

This book is an overview of the United States legal system, with a brief introduction to Islamic and International law. The book is divided into six parts. Part I (The Legal System and Crime) introduces the U.S. legal system and the classification of crime. Part II (White Collar Crime) covers cybercrime, crime the old fashioned way, and healthcare fraud. Part III (Homicide) deals with simple murder, serial murder, mass and spree murder; and assassination. Part IV (Special Groups) covers the mafia; the family; the medical, legal, and teaching professions; the religion profession; celebrities; and stupid criminals. Part V (On the Edge) deals with topics I consider to be a bit strange; that is, quackery, innovative defenses, and dangerous cults. And finally, Part VI (Residue) discusses what is left ... capital punishment and crimes against humanity, including terrorism. Throughout the book, to illustrate points, I have used over 300 cases of actual crimes. The names of the people and the facts of the cases used in the discussions of these crimes are taken directly from referenced news reports. The subtitle, Computer Viruses to Twin Towers, reflects the scope of the book; that is, from computer viruses, which cause only aggravation or loss of money, to the deadly terrorist attacks on the Twin Towers of the World Trade Center and the Pentagon on September 11, 2001 that snuffed out almost 3000 lives.

Describes how seventeen-year-old Tyler Hadley bludgeoned his parents to death in their home and then invited his friends over for a party.

The Inspiring True Story of Coming Face to Face with the Infamous Railroad Killer

The Definitive Account and Evidence That Proves What Really Happened

One Cut

Hung Jury

A Perfect Husband

Sociopaths, Serial Killers, and Other Deviants

Relates how, in December of 2001, novelist Michael Peterson brutally beat his wife, Kathleen, to death in order to collect on her life insurance after having been involved in a similar case years before.

This book presents an examination of the television series Nurse Jackie, making connections between the representational processes and the audience consumption of the series. A key point of reference is the political and performative potential of Nurse Jackie with regards to its progressive representation of prescription drug addiction and its relationship to the concept of quality television. It deconstructs Nurse Jackie ’s discursive potential, involving intersections with contemporary notions of genre, celebrity, self-reflexivity, therapy and feminism Discover the definitive book on the Menendez case—and the primary source material for NBC’s Law and Order True Crime: The Menendez Murders. A successful entertainment executive making \$2 million a year. His former beauty queen wife. Their two sons on the fast track to success. But it was all a fa ç ade. The Menendez saga has captivated the American public since 1989. The killing of Jos é and Kitty Menendez on a quiet Sunday evening in Beverly Hills didn’t make the cover of People magazine until the arrest of their sons seven months later, and the case developed an intense cult following. When the first Menendez trial began in July 1993, the public was convinced that Lyle and Erik were a pair of greedy rich kids who had killed loving, devoted parents. But the real story remained buried beneath years of dark secrets. Until now. Journalist Robert Rand, who originally reported on the case for the Miami Herald and Playboy, has followed the Menendez murders from the beginning and has continued investigating and interviewing key sources for 28 years. Rand is the only reporter who covered the original investigation as well as both trials. With unparalleled access to the Menendez family and their history, including interviews with both brothers before and after their arrest, Rand has uncovered extraordinary details that certainly would have changed the fate of the brothers’ first-degree murder conviction and sentencing to life without parole. In The Menendez Murders: The Shocking Untold Story of the Menendez Family and the Killings That Stunned the Nation, Rand shares these intimate, never-before-revealed findings, including a deeply disturbing history of child abuse and sexual molestation in the Menendez family going back generations, and the shocking admission O.J. Simpson made to one of the Menendez brothers when they were inmates at the L.A. County Men’s Central Jail.

The wife of convicted killer Erik Menendez discusses her husband's painful life, his trial for the murder of his parents, the brutality of his life in a maximum security prison, and their struggle to preserve their marriage.

Stay Sexy and Don't Get Murdered

My Life with Erik Menendez

The Diary of a Menendez Juror

When Greed Turns Deadly

The two women found dead in their beds had been executed. There was no robbery, no sexual motivation. The satanic writings and red candles found at the scene had been staged to throw investigators off track. The killer, or killers, just wanted the women dead! One of them, Betty Lou Gray, had been the primary target, while the other, a close friend, had simply been in the wrong place at the wrong time. From the beginning, the prime suspect had been Betty Lou’s husband Bill. A dominating and controlling husband, he had kept his wife penniless and almost in bondage for 28 years until, finally, she'd had enough and asked for a divorce. The obvious motivation was money, a \$250,000 life insurance policy, and with his wife dead there would be no splitting of assets in a divorce settlement. If he could succeed in hiding the insurance money and the pawnshop assets from his children, Bill Gray would become a rich man. It seemed an open and shut case, but it was not to be. In this true story, Dixie Murphy follows a trail of suspicion and intrigue, and reveals the virtually unprecedented means used to finally bring a murderer to justice.

Read the true story of the manhunt that inspired The Assassination of Gianni Versace: American Crime Story, the acclaimed FX series. “The breadth and thoroughness of [Maureen] Orth’s research are often staggering.”—The New York Times “Fascinating . . . ripe with chilling detail.”—Entertainment Weekly On July 15, 1997, Gianni Versace was shot and killed on the steps of his Miami Beach mansion by serial killer Andrew Cunanan. But months before Versace’s murder, award-winning journalist Maureen Orth was already investigating a major story on Cunanan for Vanity Fair. Culled from interviews with more than four hundred people and insights gleaned from thousands of pages of police reports, Vulgar Favors tells the complete story of Andrew Cunanan, his unwitting victims, and the moneyed world in which they lived . . . and died. Orth reveals how Cunanan met Versace, and why police and the FBI repeatedly failed to catch him. Here is a gripping odyssey that races across America—from California’s wealthy gay underworld to modest Midwestern homes of families mourning the loss of their sons to South Beach and its unapologetic decadence. Vulgar Favors is at once a masterwork of investigative journalism and a riveting account of a sociopath, his crimes, and the mysteries he left along the way.

In STAY SEXY & DON'T GET MURDERED, Karen Kilgariff and Georgia Hardstark, hosts of true crime comedy podcast 'My Favorite Murder,' open up about their lives more intimately than ever in their confessionally honest and hilarious debut book, titled after their podcast sign-off. Sharing never-before-heard stories ranging from their struggles with depression, eating disorders, and addiction, Karen and Georgia irreverently recount their biggest mistakes and deepest fears, reflecting on the formative life events that shaped them into two of the most followed voices in the podcasting world.

More than two decades after serving as a juror on the high-profile seven-month murder trial People v. Erik Galen Menendez, Hazel Thornton updates her book Hung Jury with a new preface and a postscript essay of observations about the Menendez brothers' second trial. Don't miss NBC's "Law & Order True Crime: The Menendez Murders" about Erik and Lyle Menendez.

The Untold Story of the Biggie Smalls and Tupac Shakur Murder Investigations

Barry Avrich – a self-made, Montreal-born film producer/director, flamboyant advertising executive, and legendary biographer and connector of moguls and stars. For over three decades, he has relentlessly produced films on some of the most notorious show-business titans and also found the time to market and promote feature films, concerts, and the biggest shows on Broadway. In his memoir, Moguls, Monsters, and Madmen, Barry takes readers from his early days, shaping his brand as a creative adman with the infamous Garth Drabinsky and witnessing the genius of legendary Rolling Stones promoter Michael Cohl, to his acclaimed documentaries on Harvey Weinstein, Lew Wasserman, Bob Guccione, and many others. Go behind the scenes on his most provocative films – like The Last Mogul, Unauthorized, and Filthy Gorgeous – and follow Barry as he moves from the power rooms of Hollywood to the launches of incredible brands while hanging around with royalty, rogues, clients, and confidants. An extraordinary raconteur, Barry spares no one, least of all himself, as he details his extraordinary relationships and encounters with everyone from Frank Sinatra, Quincy Jones, and Vanity Fair columnist Dominick Dunne to Mick Jagger and Keith Richards. Moguls, Monsters and Madmen is a sharp and witty exposé of show business and notorious characters.

Includes material on "the Trailside Killer in San Francisco, the Atlanta child murderer, the Tylenol poisoner, the man who hunted prostitutes for sport in the woods of Alaska, and Seattle's Green River killer ..."

"Murder Trail" tells the fascinating stories of eleven high-profile murder or multiple murder cases through the eyes of the men who accepted the challenges of solving them. In each case the detective must reach deep inside the brilliant but warped minds of the criminals. Drawing on the words of our real-life detectives, their families and colleagues, and where possible, the murderer himself, as well as on archive material– news footage, surveillance recordings, interrogations, and trial transcripts– "Murder Trail" provides a wholly revealing insight into the mind of the murderer. However, the focus is always on the detective, and in this book we look at the pressures on him from the media, his bosses, politicians, and victims' families.

"We've all got the power in our hands to kill, but most people are afraid to use it. The ones who aren't afraid control life itself."--Richard Ramirez Ten years after the murder spree that left thirteen people dead and paralyzed the city of Los Angeles with fear, his name is synonymous with Satanism, torture and sadistic murder. Yet despite the sensational nature of his crimes, no one has ever been able to tell the complex story of the killer whose seductive, brooding looks still draw women like moths to a flame--a man millions call the devil himself. Until Now. . . Painstakingly researched over three years, based on nearly one hundred hours of exclusive interviews with Richard Ramirez on California's Death Row, The Night Stalker is the definitive account of America's most feared serial murderer. From Ramirez's earliest brushes with the law to his deadliest stalking expeditions to the unprecedented police and civilian manhunt that resulted in one of the most sensational trails in California history, The Night Stalker is an eerie and spellbinding descent into the very heart of human evil. It is more than epic nonfiction at its brutally real-it is a true crime masterpiece.

NATIONAL BESTSELLER A top journalist crosses the yellow tape to investigate a shocking high-society crime. Billionaires, philanthropists, socialites . . . victims. Barry and Honey Sherzman appeared to lead charmed lives. But the world was shocked in late 2017 when their bodies were found in a bizarre tableau in their elegant Toronto home. First described as murder-suicide – belts looped around their necks, they were found seated beside their basement swimming pool – police later ruled it a staged, targeted double murder. Nothing about the case made sense to friends of the founder of one of the world’s largest generic pharmaceutical firms and his wife, a powerhouse in Canada’s charity world. Together, their wealth has been estimated at well over \$4.7 billion. There was another side to the story. A strategic genius who built a large generic drug company – Apotex Inc. – Barry Sherman was a self-described workaholic, renowned risk-taker, and disruptor during his fifty-year career. Regarded as a generous friend by many, Sherman was also feared by others. He was criticized for stifling academic freedom and using the courts to win at all costs. Upset with building issues at his mansion, he sued and recouped millions from tradespeople. At the time of his death, Sherman had just won a decades-old legal case involving four cousins who wanted 20 percent of his fortune. Toronto Star investigative journalist Kevin Donovan chronicles the unsettling story from the beginning, interviewing family members, friends, and colleagues, and sheds new light on the Shermans’ lives and the disturbing double murder. Deeply researched and authoritative, The Billionaire Murders is a compulsively readable tale of a strange and perplexing crime. On November 8, 1985, 18-year-old Tom Odle brutally murdered his parents and three siblings in the small southern Illinois town of Mount Vernon, sending shockwaves throughout the nation. The murder of the Odle family remains one of the most horrific family mass murders in U.S. history. Odle was sentenced to death and, after seventeen years on death row, expected a lethal injection to end his life. However, Illinois governor George Ryan’s moratorium on the death penalty in 2000, and later commutation of all death sentences in 2003, changed Odle’s sentence to natural life. The commutation of his death sentence was an epiphany for Odle. Prior to the commutation of his death sentence, Odle lived in denial, repressing any feelings about his family and his horrible crime. Following the commutation and the removal of the weight of eventual execution associated with his death sentence, he was confronted with an unfamiliar reality. A future. As a result, he realized that he needed to understand why he murdered his family. He reached out to Dr. Robert Hanlon, a neuropsychologist who had examined him in the past. Dr. Hanlon engaged Odle in a therapeutic process of introspection and self-reflection, which became the basis of their collaboration on this book. Hanlon tells a gripping story of Odle’s life as an abused child, the life experiences that formed his personality, and his tragic homicidal escalation to mass murder, seamlessly weaving into the narrative Odle’s unadorned reflections of his childhood, finding a new family on death row, and his belief in the powers of redemption. As our nation attempts to understand the continual mass murders occurring in the U.S., Survived by One sheds some light on the psychological aspects of why

and how such acts of extreme carnage may occur. However, *Survived by One* offers a never-been-told perspective from the mass murderer himself, as he searches for the answers concurrently being asked by the nation and the world.

A memoir of hope, healing, and survival, sure to resonate with fans of Jaycee Dugard's *A Stolen Life* and Elizabeth Smart's *My Story*. On August 28, 1997, just as she was starting her junior year at the University of Kentucky, Holly Dunn and her boyfriend, Chris Maier, were walking along railroad tracks on their way home from a party when they were attacked by notorious serial killer Angel Maturino Reséndiz, aka The Railroad Killer. After her boyfriend is beaten to death in front of her, Holly is stabbed, raped, and left for dead. In this memoir of survival and healing from a horrific true crime, Holly recounts how she lived through the vicious assault, helped bring her assailant to justice, and ultimately found meaning and purpose through service to victims of sexual assault and other violent crimes. She has worked as a motivational speaker and activist and founded Holly's House, a safe and nurturing space in her hometown of Evansville, Indiana.

Prize-winning journalist Jack Olsen, armed with unprecedented access to one of the most infamous serial killers in American history, provides a fascinating glimpse into the mind of a murderer in the killer's own words . . . In February 1990, Oregon State Police arrested John Sosnovke and Laverne Pavlinac for the vicious rape and murder of Taunja Bennet, a troubled 23-year-old barfly who had suffered mild retardation since birth. Pavlinac had come forth and confessed, implicating her boyfriend and producing physical evidence that linked them to the crime. Authorities closed the case. There was just one problem. They had the wrong people. And the real killer wasn't about to let anyone take credit for his kill. Keith Hunter Jespersion was a long haul truck driver and the murderer of eight women, including Taunja Bennet. As the case wound through police precincts and courts--ending in life sentences for both Sosnovke and Pavlinac--Jespersion began a twisted one man campaign to win their release. To the editors of newspapers and on the walls of highway rest stops, Jespersion scribbled out a series of taunting confessions: I killed Tanya Bennett . . . I beat her to death, raped her and loved it. Yes I'm sick, but I enjoy myself too. People took the blame and I'm free . . . Look over your shoulder. I may be closer than you think. At the end of each confession, Jespersion drew a happy face, earning for himself the grisly sobriquet "The Happy Face Killer." Based on access to interviews, diaries, court records, and the criminal himself, *I: The Creation of a Serial Killer* is Jespersion's chilling story. It chronicles his evolution from angry child to sociopathic murderer, from tormentor of animals to torturer of women. It is also the story of the fate that befell him after two innocent citizens were imprisoned four years for one of his killings. Edgar Award winner Jack Olsen lets the killer to tell his story in his own words, offering unprecedented insight into the twisted thought process of a serial murderer. Olsen takes his readers along on Jespersion's vicious cross-country killing spree, letting him describe how he played his "death game" with eight innocent victims and how he finally came to grips with the fate he deserved. *I: The Creation of a Serial Killer* is one of the most revealing and insightful pieces of crime reporting ever published.

Serial Killer Fanatics - A very unique coloring book has arrived.You have never seen Jeffrey Dahmer, Robert Berdella or Ted Bundy like this.Who said coloring books were exclusively for children?There are monsters hiding in the darkness, and yet for some reason, our curiosity and fascination can't help but attract us to them - our minds wishing to discover their philosophies and our interest growing as we learn more of them.For many of these murderers, death became more than just a crime: it became an art. An art which they practiced and enjoyed, like the painting of a portrait, or the coloring of a book just like this one.In *The Serial Killer Coloring Book* we shall provide you with:- 38 of the most famous serial killers brought to you in a way you've never seen them before.- High-resolution images which will allow you to fill in the smallest details and achieve the most realistic results.- Single-sided pages, with each image given its own page to save you from worrying about the colors bleeding through and damaging your next serial killer's image.- Very accurate symbolism to each killer, providing context to their atrocious crimes and creepy stories.- The possibility of a fantastic gift for your friends, family and loved ones who love the True Crime genre.So, what are you waiting for? Discover this entirely fresh take on coloring books and tackle anxiety and stress in an incredible new way with *The Serial Killer Coloring Book*.

"On May 22, 1995, at 7 p.m. sixteen-year-old Jimmy Farris and seventeen-year-old Mike McLoren were working out outside Mike's backyard fort. Four boys hopped the fence, and a fight broke out ... Within minutes, both Mike and Jimmy had been stabbed. Jimmy died a short time later. While neighbors knew that the fort was a local hangout where drugs were available, the prosecution depicted the four defendants as gang members, and the crime as gang-related. The accusations created a media circus, and added fuel to the growing belief that this affluent, safe, all-white neighborhood was in danger of a full-blown gang war. Four boys stood trial. All four boys faced life sentences. Why? Because of California's Felony Murder Rule"--

A gripping thriller from the bestselling author of Richard & Judy selections ORPHAN X and YOU'RE NEXT. When bestselling thriller writer Andrew Danner wakes up in a hospital bed with no idea how he got there, he is horrified to be told that he is responsible for the murder of his ex-fiancee. In the resulting celebrity trial, Drew is exonerated on the grounds of temporary insanity caused by a recent brain tumour. But he still has no idea if he did kill Genevieve, and is desperate to find out. Haunted by what appear to be his bizarre night-time actions - did he really cut his own foot with a knife? - Drew is shocked when another woman is discovered dead, murdered in the same way as Genevieve. Trying to clear his name and understand what's happening to him, Drew enlists the help of a tame forensic scientist, a sympathetic detective, his staunch friend Chic who has helpful underworld connections, and an over-confident teenager. Can Drew discover what really happened that night and unmask the real killer?

Based on stunning new details discovered in the personal archives of former Kansas Bureau of Investigation Director Harold R. Nye, "And Every Word Is True" lays out a fresh, meticulously-researched perspective on the Clutter murder case made famous by Truman Capote's "In Cold Blood."

John Pearson knows more about the Krays than anyone alive. Legend, starring Tom Hardy, was based on his book The Profession of Violence and it was Pearson who exposed the Boothby connection in 1994. In 1967 the twins asked Pearson to write their biography. He remained a confidant of the family and the brothers throughout their trial and prison years. Now Pearson revisits the twins' criminal past and lays bare the truth behind the legend. Drawing upon a mass of first-hand interviews and private information he was unable to use while the Krays were still alive, he finally recounts the chilling untold story of the Kray twins. John Pearson is also the author of All the Money in the World (previously titled Painfully Rich), now a major motion picture directed by Ridley Scott film and starring Michelle Williams, Mark Wahlberg and Christopher Plumber (nominated for the Oscar for Best Supporting Actor).

According to renowned defense attorney and Harvard law professor Alan M. Dershowitz, "abuse excuses" are enabling people to get away with murder - literally. From the Menendez brothers to Lorena Bobbitt, more and more Americans accused of violent crimes are admitting to the charges, but arguing that they shouldn't be held legally responsible. The reason: they're victims - of an abusive parent, a violent spouse, a traumatic experience, ethnic hatred, society at large, or anything else - who struck back at a real or perceived oppressor. And they couldn't help themselves, they say. In this provocative and important collection of essays, Dershowitz reviews a wide range of recent cases - including those of O. J. Simpson, Tonya Harding, and Woody Allen - and argues that the current vogue in victim defenses is antithetical to the ideals of our constitutional democracy.

For Dershowitz, the foundations of American society are individual responsibility and the rule of law. And people who claim to be above the law - whatever the excuse - are no more than vigilantes.

Bad Blood

"This particular phase in my life is the most dangerous. My husband is planning 'an accident' in my car, brake failure and serious head injury in order to make the path clear for him to marry." —Letter written by Princess Diana, late 1996 in history. When the Mercedes carrying Diana, Princess of Wales, spun fatally out of control in the Pont de l'Alma tunnel in Paris in August 1997, the world was shocked by what appeared to be a terrible accident. But two decades later, what really happened that night—and, crucially, why it happened—remain mired in suspicion, controversy, and misinformation. Until now. Dylan Howard has re-examined all of the evidence surrounding Diana's death—official documents, eyewitness accounts, private journals—as well as amassing dozens of new interviews with investigators, witnesses, and those closest to the princess to ask one very simple question: Was the death of Princess Diana a tragedy...or treason? Diana: Case Solved

how much of a threat Diana became to the establishment. In these pages you will learn of the covert diaries and recordings she made, logging the Windsors' most intimate secrets and hidden scandals as a desperate kind of insurance policy. Diana was not the only powerful enemies she made, as her ground-breaking campaigns against AIDS and landmines drew admiration from the public, but also enmity from powerful establishment figures including international arms dealers, the British Prime Minister, the MI6 and the CIA. And, in a dramatic return to the Parisian streets where she met her fate, the two questions that have plagued investigators for over twenty years will finally be answered: Why was Diana being driven in a car previously

was really behind the wheel of the mysterious white Fiat at the scene of the crash?

Discusses the murders of a rich L.A. businessman and his wife by their two sons, who used a defense of child abuse to obtain a mistrial

A young adult, fictional reimagining of Truman Capote's *In Cold Blood* and the brutal murders that inspired it. Gripping and fast-paced, this meticulously researched historical fiction will reinvigorate a new generation to Capote. November 1959, Kansas, but in 1959, the town is shattered by the quadruple murder of the Clutter family. Suspicion falls on Nancy Clutter's boyfriend, Bobby Rupp, the last one to see them alive. New Yorker Carly Fleming, new to the small Midwestern town, and (in private, at least) they were close. Carly and Bobby were the only ones who saw that Nancy was always performing, and that she was cracking under the pressure of being Holcomb's golden girl. This secret connected Carly and Bobby, and they're bound closer than ever. Determined to clear Bobby's name, Carly dives into the murder investigation and ends up in trouble with the local authorities. But that's nothing compared to the wrath she faces from Holcomb once the real

father is appointed to defend the killers of the Clutter family, the entire town labels the Flemings as traitors. Now Carly must fight for what she knows is right.

The Shocking True Story Behind the Menendez Killings
