*Mining Capitalism The Relationship Between Mining Capitalism is excellent. It makes a much-needed contribution to understanding our contemporary historical moment. Kirsch adeptly moves his focus between close-to-the-ground descriptions of corporate practices and persuasive claims about the ways that corporations work to control meaning and money.--Kim Fortun, author of Advocacy After Bhopal Kirsch presents a richly detailed study of ...*

*Mining Capitalism: The Relationship between Corporations ...*

*Mining Capitalism* examines the strategies through which corporations manage their relationships with these critics and adversaries. By focusing on the conflict over the Ok Tedi copper and gold mine in Papua New Guinea, Stuart Kirsch tells the story of a slow-moving environmental disaster and the international network of indigenous peoples, advocacy groups, and lawyers that sought to protect local rivers and rain forests.

*Mining Capitalism: The Relationship between Corporations ...*

*On the one hand, Mining Capitalism keeps us always on the Fly River and with the people struggling for environmental justice, whether they are negotiating with the mining company or pursuing lawsuits that have international ramifications. On the other hand, the analyses in the book bear lessons for places beyond Papua New Guinea; it speaks to the complexities of mining issues in many other locales.*
