Mormon Doctrine is an encyclopedic work written in 1958 by Bruce R. McConkie, a general authority of the Church of Jesus Christ of Latter-day Saints. It was intended primarily for a Latter-day Saint audience and is often used as a reference book by church members because of its comprehensive nature, and was a highly influential all-time bestseller in the LDS community. It has never been an official publication of the church, and it has been both heavily criticized by some church leaders and memb

Bruce R. McConkie was a Seventy at the time, and there was a bit of consternation over a Seventy speaking on behalf of the whole Church to define what was and was not doctrine. The first edition also had a lot of entries in it that defined false doctrines in other churches that were removed from the second edition because they had nothing to do with "Mormon" doctrine.

Why would the Church allow McConkie's "Mormon Doctrine" to ...
Mormon Doctrine, published in 1958, was a first attempt to compile the doctrines of the Church into a single, comprehensive volume, and it was solely Elder McConkie's work. However, the tone of the book was extremely authoritative, and though some of the doctrines presented were not approved by the First Presidency, the book was popular and looked upon as authoritative by members of the Church.
