The Kumon My Book of Easy Mazes is a great next step after the Kumon tracing workbooks. This workbook features very easy mazes that are perfect for a two or three year old. A four year old would most likely find these too easy and could be bored. This workbook could easily be finished within a month by spending at most 10 minutes per day.

This is a good book for very young children (2+). There are a lot of really simple mazes (actually 80). Each maze is on an 8 1/2 x 11 page. The mazes get progressively harder, but they were all really easy for my three year old son. If I had let him, he would have finished a good portion of the book in just one sitting.

Kumon My Book of Easy Mazes. My son loved this book! Engaging mazes that progress in challenge but aren't frustrating. I would have appreciated the pages being perforated so that I could slip them into a sleeve for additional wipe-off practice and just so the pages actually laid flat. Trying to cut or rip them out is challenging.
