#1 New York Times Bestselling Picture Book Meghan, The Duchess of Sussex's first children's book, The Bench, beautifully captures the special relationship between father and son, as seen through a mother's eyes. The book's storytelling and illustration give us

snapshots of shared moments that evoke a deep sense of warmth, connection, and compassion. This is your bench Where you'll witness great joy. From here you will rest See the growth of our boy. In The Bench, Meghan, The Duchess of Sussex, touchingly captures the evolving and expanding relationship between father and son and reminds us of the many ways that love can take shape and be expressed in a modern family. Evoking a deep sense of warmth, connection, and compassion, The Bench gives readers a window into shared and enduring moments between a diverse group of fathers and sons - moments of peace and reflection, trust and belief, discovery and learning, and lasting comfort. Working in watercolour for the first time, Caldecott-winning, bestselling illustrator Christian Robinson expands on his signature style to bring joy and softness to the pages, reflecting the beauty of a father's love through a mother's eyes. With a universal message, this thoughtful and heartwarming read-aloud is destined to be treasured by families for generations to come.

A Basic English Grammar
English Grammar and Composition for Class 9-10
Longman Student Grammar of Spoken and Written English
Navneet English Grammar (For English Medium Schools).*

For decades, the approaches to and techniques of teaching and learning English have been

changing in Bangladesh. New curriculum and textbooks are coming up and being used as the prime source of materials for teaching English. With an intention to find out the reasons for the pitiable condition of the students' ability to use English in communication, this book presents an analytical assessment of the NCTB published EFL textbook English Grammar and Composition for Class 9-10 which has been introduced recently at the secondary level. The analysis has been done on the basis of a self-constructed textbook evaluation scheme. The study basically assesses the possibilities and weaknesses of this EFL textbook for language skills, language components, content, and some other general criteria. In its preface, the book under assessment, attempts to clarify some intended teaching objectives, but the findings of the evaluation show that these objectives have not been perceived well in its contents.

The Oxford Guide to English Grammar is a systematic account of grammatical forms and the way they are used in modern standard English. It is designed for learners at intermediate and advanced levels and for teachers, and is equally suitable for quick reference to details or for the moreleisured study of grammatical topics. The emphasis is on meaning in the choice of grammatical pattern,

and on the use of patterns in texts and in conversations.

A Glossary of English Grammar presents a wide range of terms used to describe the way the English language is structured. Grammatical terms can be a problem for students, especially when there are alternative names for the same thing (for example, 'past tense' and 'preterite'). This book therefore provides a basic and accessible guide, focusing on the English language. Definitions of grammatical terms are given in simple language, with clear examples, many from authentic texts and spoken sources, showing how they are used. The terms used in the Comprehensive Grammar of the English Language are widely seen as standard, and form the basis of grammatical terminology in this book. At the same time, this glossary does not neglect other variants of English grammar, such as that of Huddleston and Pullum's influential Cambridge Grammar of the English Language, whose most important terms are also covered here. This book is indispensable for anyone wishing to understand present-day terminology of English grammar more fully.

English Kumarbharati Grammar, Language
Study & Writing Skills Std.VIII

This grammar reference is written for the advanced student. It combines explanations of English grammar with information on how,

when and why we use different structures. It shows the differences between spoken and written grammar and includes frequency information on the most common forms. The book offers a simple yet effective way to learn English as well as to translate from Hindi to English. It contains several common hindi sentences that have been translated into English that allow a learner to easily understand day-to-day words and how to use them in sentences when writing or speaking in English. By learning how typical Hindi sentences, when translated into english can be used in everyday life, one can improve his or her grasp about using both the language. Besides the author, a good bi-linguist, has even detailed the grammatical aspects about each topic given in the book, which offer self improvising problems with easy solutions to them. Different sections have been created so as to improve the reader's basic grammar, which includes Nouns, Pronouns, Tenses, Sentence making, etc. Each section comes with a separate practice set that lets the readers test English reading, writing and speaking skills as well as the translation ability that one has been able to learn. There is even a separate vocabulary section to help readers learn more new words and how to

use them effectively while communicating. With step-by-step guidelines, one can surely bring fluency in their English language usage over a few months.

Grammar in Use Intermediate is a highly successful grammar text known for its clear, concise explanations and innovative format.
