~~'On Being a Christian 'is a vital and important statement about what it means to be a Christian. Hans Kung has himself said of the book, which he regards as his magnum opus, that it intends to clarify and challenge Christian faith and life at a time when the churches have unfortunately lost rather than gained in credibility.~~

~~Beyond its historical and theological dimensions, however, On Being a Christian is a thorough re-examination of what it means to be a Christian today: the role of Christian ethics in a social and political context, the relationship between Christians and Jews, the organization of the community of believers, and practical suggestions for dealing with personal crises of faith.~~

~~*On Being a Christian by Hans Küng | LibraryThing*~~

~~At 602 pages of text, ON BEING A CHRISTIAN is the definition of a tome. The style is no walk in the park: even taking into account that it's a translation from German, some of the passages are quite dense. The bottom line is, though, that it's worth the effort. When this book first appeared in the 1970s, I hesitated to read it.~~
