**On Being Ill** is an essay by Virginia Woolf, which seeks to establish illness as a serious subject of literature along the lines of love, jealousy and battle. Woolf writes about the isolation, loneliness, and vulnerability that disease may bring and how it can make even the maturest of adults feel like children again.

**On Being Ill** - Wikipedia

A fascinating, sensitive and insightful essay by a writer who had to live with long periods of being ill all her life. 'All day, all night the body intervenes; blunts or sharpens, colours or discolours, turns to wax in the warmth of June, hardens to tallow in the murk of February.

**On Being Ill** by Virginia Woolf - Goodreads

"On Being Ill "was published as an individual volume by Hogarth Press in 1930. While other Woolf essays, such as "A Room of One's Own "and "Three Guineas, "were first published by Hogarth as individual volumes and have since been widely available," On Being Ill" has been overlooked.

**On Being Ill:** Amazon.co.uk: Woolf, Virginia, Lee ...

**On Being Ill** starts from the simple but interesting observation that although illness is a common, almost universal experience, it is surprisingly absent from literature as a topic of interest. This is rather like her similar observation about the absence of women in the annals of literature which led to her epoch-making study A Room of One's Own .

**On being ill** by James Matthew Wilson. June 2020 June 2020. Poems June 2020. On being ill by James Matthew Wilson. Share. Like death, which follows all, they grow more common, The ill, gestating pain within their bodies, Turned in upon it, marking down its savor With an alacrity for shades of difference

**On being ill** by James Matthew Wilson | The New Criterion

Over the course of “On Being Ill,” Woolf strikingly refigures illness experience as transformative: beyond merely the effects of microbes, illness harbors the potential for “spiritual change” and the revelation of otherwise “undiscovered countries” - vast bodily territories laden with sensations and energies accessible only when the body is no longer healthy (3).

Revaluing Illness: Virginia Woolf’s “On Being Ill” - S Y N ...

In fact, an interesting use of “On Being Ill” would be to juxtapose its claim that in 1930 the body was not taken seriously as a literary theme, with our contemporary obsession with the body. In her pages that describe the world-of-the-recumbent, Woolf teaches eloquently the concept that the ill actually live in a different world from the well.

**On BEING ILL** By VIRGINIA WOOLF CONSIDERING how common illness is, how tremens-dous the spiritual change that it brings, how aston-ishing, when the lights of health go down, the undiscovered countries that are then disclosed, what wastes and deserts of the soul a slight attack of influenza brings to light, what precipices and lawns sprinkled with bright flowers a little rise of temperature reveals, what ancient and obdurate oaks are uprooted in us in the act of sickness, how we go down into ...
