The motto of the Dominican Order is Veritas (which means Truth). The Dominican tradition is to teach “all that is true, all that is noble, all that is just and pure, all that is loveable and gracious, what is excellent and admirable” (St. Paul to the Philippians 4:8). Saint Martin's therefore, a school in the Dominican Tradition, seeks to pass on to its pupils not only a high quality academic education but also values for living life in a way that shows respect for what is noble and true.
