Translation theorists typically emphasize the differences between translations and their sources. Yet they cannot help letting the idea that there is something identical between the two creep back into their discussions. This happens especially in discussions of poetry, where notions of functional equivalence cannot govern the definition of translation (I discuss the work of J. C. Catford and ...

Translation and Paraphrase - Oxford Scholarship
The North American Indians," said Arnold J. Toynbee in A Study of History (Oxford University Press 1946), "were almost continuously 'on the run' from the moment of the arrival of the first English settlers down to the crushing of the last Indian attempt at armed resistance in the Sioux War of 1890, two hundred and eighty years later.
