Kids can learn to draw their favorite steeds, show off their knowledge of horses with trivia cards, and saddle up to an assortment of horsey items, like door hangers, bookmarks, and stickers. International animal welfare charity The Donkey Sanctuary is launching The Clinical Companion of the Donkey, the revised version of The Professional Handbook of the Donkey, which has been the definitive text for clinicians and professionals working in donkey medicine or surgery for over twenty years. Now in an easy-to-read and easy-to-navigate format over its 360 pages, this updated paperback includes current and extra information in a bid to improve the health and welfare of donkeys worldwide by sharing knowledge and providing further education. Without covering the same ground as other excellent textbooks, The Clinical Companion of the Donkey concentrates on those differences in the equine species that are specific to the donkey. A new chapter on donkey behaviour has been included, as this is fundamental to understanding this unique animal and the presentation of clinical signs and requirements for handling, nursing and treatment. Technical colour illustrations have been included using images from the extensive libraries at The Donkey Sanctuary, as well as those private collections that belong to contributors. This book will also be available as translated versions over the following months. Created with heart and keen intelligence, The Clinical Companion of the Donkey has all the attributes of the animal it aims to aid, and will surely be the textbook of professionals involved with donkeys for years to come.

The Wonky Donkey has a daughter in this hilarious sequel to the runaway hit! Fitch the wolf and Chip the pig strike up an unlikely friendship because they discover something in common.

The Story of Ferdinand

The first book in the classic, beloved Billy and Blaze series, from renowned author C.W. Anderson. Billy was a little boy who “loved horses more than anything else in the world.” Imagine how happy he was when he got his very own pony for his birthday! From that day on, Billy was seldom seen without his new friend, Blaze. Riding through fields and woods, Billy and Blaze learned to trust and understand one another—and to jump over fences and fallen trees with ease. They were a great team, but were they good enough to win the gleaming silver cup at the Mason Horse Show? This is the first book in the classic Billy and Blaze series. Sensitive drawings and easy-to-read words capture the warmth and gentle understanding between a boy and his horse.

What does an elephant do? It stomps its foot. Can you? From the creator of such beloved classics as The Grouchy Ladybug and The Mixed-Up Chameleon comes this interactive story that invites kids to imitate animal movements. Watching giraffes bend their necks or monkeys wave their arms is fun, but nothing could be better than joining in. From their heads down to their toes, kids will be wriggling, jiggling, and giggling as they try to keep up with these animals!Alligators wiggle, elephants stop, gorillas thump, and giraffes bend. Can you do it? 'I can do it!' is the confidence-building message of this fun-filled interactive picture book. A variety of familiar animals invite young children to copy their antics, and as they play, they will learn such important skills as careful listening, focusing attention, and following instructions. Just as alphabet books introduce the very young child to letters and simple words, From Head to Toe introduces the basic body parts and simple body movements. And in the same way that children progress from understanding simple words to reading and writing sentences and stories, so they will progress from simple body movements to dancing, gymnastics, and other sports and activities, with confidence and pleasure. Eric Carle's colorful collages have delighted children for more than a generation. Each book provides hours of fun while encouraging them to stretch their imaginations. His matchless words and illustrations now send out a new challenge: Are you ready? Here we go! Move yourself From Head to Toe. A Main Selection of the Children's Book-of-the-Month Club
