Add a swinging pendulum to your clock. Cut a long, skinny rectangle out of some yellow paper. Cut a circle out of the same paper and glue it to the bottom of the rectangle. Wait for the glue to dry, then poke a hole near the top of the rectangle. Turn the clock over so that the back is facing you, and open up the brad.

The plans on this site are those of clocks designed by myself over the last few years. At present there are Twenty one sets of plans available, and it is intended to add to them as new designs become available. Each clock design is illustrated with a series of rendered images, and a set of drawings, drawn to scale and presented as PDF files. The earlier clocks were originally drawn to scale so that the prints could be attached directly to the timber and a band saw or scroll saw used to cut ...

Brian Law’s Wooden Clocks - Brian Law’s Woodenclocks

Making a Grandfather clock requires expert woodworking skills. All of these free grandfather clock plans use a prebuilt clock movement. It is important that you purchase the clock movement before you start making the grandfather clock as it may be necessary for you to adjust the dimensions in order to fit your clock mechanism into the case.

How To Build Grandfather Clocks - 4 Free Plans

Full Scale Black and White part drawings for Clock 2003 Most of these part drawings will print full scale on 8.5x11 paper. Some of the larger pieces will have to be printed on D size paper. You should be able to get a lot of benefit by viewing the larger drawings on your computer even if you are unable to print the big ones.

gary’s wooden clocks-download Clock 2003

How to Make the Paper Clock. Step 1: Adhere number stickers around the plate, using a clock as a guide for proper placement. Step 2: Trace the two (2) clock hands onto decorative paper; cut out. Punch a hole near the bottom of each clock hand. Step 3: Use a sharp pencil to punch a hole in the center of the plate. Insert the brad through the hour hand, the minute hand, and then the hole in the plate, and secure.
