Holmes argues that the aspirations of liberal democracy—including individual liberty, the equal dignity of citizens, and a tolerance for diversity—are best understood in relation to two central themes of classical liberal theory: the psychological motivations of individuals and the necessary constraint on individual passions provided by institutions.

Passions and Constraint: On the Theory of Liberal ...

There is a specter haunting Passions and Constraint; it is the specter of libertarianism. Although I don't usually speculate about the biographical minutiae that may have played a role in shaping an author's manuscript, these essays convince me that Holmes is chafing under the burden of being taken by detractors and sympathizers alike to be a singer in the libertarian choir.

Passions and Constraint: On the Theory of Liberal ...

In this collection of essays on the core values of liberalism, Stephen Holmes—noted for his scathing reviews of books by liberalism's opponents—challenges commonly held assumptions about liberal theory. By placing it into its original historical context, Passions and Constraints presents an interconnected argument meant to fundamentally change the way we conceive of liberalism.

Passions and Constraint: On The Theory Of Liberal ...

In Passions and Constraint, Stephen Holmes seeks to demonstrate that this paradox represents not a contradiction, but an integrated and self-reinforcing theoretical system. Unlike those liberals who justify restraints on the majority in terms of deontologic conceptions of individual rights,(1) Holmes argues that these restraints serve an instrumental function.

PASSIONS AND CONSTRAINT Stephen Holmes University of Chicago Press, 1995, xiii + 337 pgs. Classical liberals of today think that true liberalism was hijacked sometime around the end of the nineteenth century. The liberals of the old school favored individual rights, a free market, and a strictly limited state.
