Where to begin? Putting together your cards is very simple. You basically work within a set size – postcards are 4" by 6", ATC's are 2.5" by 3.5". You need to stabilize them and finish the edges. Choices abound here, and there are no set 'rules'. Use stabilizers or simply batting over cardstock paper or actual playing cards.

That said, I still have some cards in boxes that I bought years ago, but that's just because I love to match the right card with the right person. Boxes I've bought and would recommend:

- Star Wars Comics 100 postcards
- Beatrix Potter/Peter Rabbit 100 postcards
- Penguin sci-fi book covers 100 postcards
- Art of Pixar 100 postcards
