The Performance-Based Development System (PBDS) is an examination designed to test a nurse's ability in three domains: • Critical-thinking skills (recognizing problems, setting priorities, managing risks) • Technical skills. • Interpersonal skills (working in a team, resolving conflicts) Increasingly, nursing administrators are using the PBDS to ensure that travel nurses have the basic competencies needed to perform nursing duties at their respective institutions.

PBDS Examination: What is it? \ Tailored Healthcare Staffing

The PBDS addresses staff or travel nurses competency in three skill sets: critical thinking (problem recognition, risk management, priority setting), inter-personnel relations (team building, conflict resolution, customer satisfaction) and technical skills (safe, effective, efficient skills). Your responses as a travel registered nurse are evaluated against standards set forth by the Hospital.
